# Homecoming 1977

This year, Homecoming marked a new beginning for Eisenhower. It was the first victorious one for the Eagles. Although the Eagles were down by a touch down at the half, in no way did it alter the spirit, excitement and anticipation of the halftime activities. Homecoming Week can be described as exciting and hectic. Throughout the week, such activities as Black and Gold Day, T-Shirt Day, Spirit Chains, Night Pep Rally, Homecoming King, as well as the Voting for the Queen, provided the right amount of enthusiasm to boost the Eagles to their victory.

Sen or Mandy Mathe cheers to the Fight Song

The Art Club won the Spirit Stick for the creation of the Spirit Eagle

Sen or Mike Behre led his teammates in a victory cry

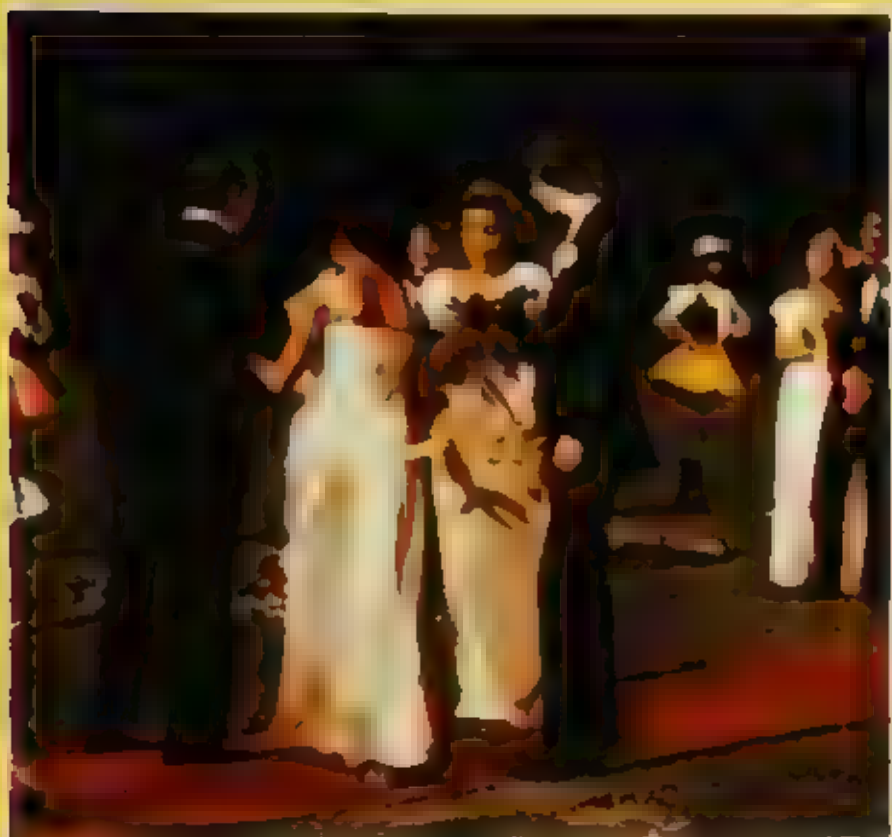

# Cathy Gentry Ike's Queen

Senior Cathy Gentry was named 1977 Homecoming Queen. Chosen by the student body in elections held in advance, she is an active member of Student Council and the Honor Society.

Cathy and senior escort Jeff Cantrell reign over her new title.

The Homecoming Court consisted of Seniors, Mandy Mitchell, her escort Mike Rump, Julie Peak, her escort Dan Neale and the class princess Freshman Tami Sluss, her escort Todd Van Netter, Sophomore Teresa Brocato, her escort Bill Bassett and Junior Maria Crenshaw, her escort David Watson.

Mr. Smith and last year's Queen, Monica Walker, present Cathy with her crown and flowers.

*Are the Richest Harvest of the Past.*

You're kidding — aren't you?" says senior Margaret Smith to senior Steve Bond during the typical lunchroom scene

Sophomore Kamar Starrett and senior Glyn Pou discuss their weekend plans

Senior Ana Rodriguez and junior Eric Bassett enjoy the Sweet heart Dance

## Guys and Dolls

Senior Billy Bob Ramsey and sophomore Sherri Anderson wait for the lunch bell

"Be Serious" says senior Brenda Gooden to senior Steve Catlett as he chows down his chicken fried steak

Relationships in high school can last anywhere from a day to the real thing — love. Students search to find the right one even if it means dating a different person every weekend. Throughout the time they "date", most concentrate on having a good time instead of worrying about the future.

"If you don't watch it I'll sick him on you," smiles senior Julie Peak about senior Ron Williams

# *Never Ending Spirit*

The Eagle Cheerleaders were the real leaders in spirit

The Golden Eaglettes show all their spirit at the Pep Rallies

Members of Choir and Speech show all that the Eagles are number one

The Pep Rallies at Ike this year have to have been the best. The Eagle Backers yelled, screamed, and cheered their team on to victory. Everyone seemed more involved in spirit promotion. The battle of the classes helped to keep the spirit high. The Eagle Pep Band performed victory parades through the halls during lunch, while the Eaglettes did their spirit boosting by decorating the Eagle Teams lockers. A special presentation was a Funeral held for Humble, complete with a purple and white casket, an idea the Seniors came up with to symbolize that rival Humble was dead. Hillbilly Rallies and Teacher Rallies helped the enthusiasm to be its best. Mike Behrle, captain of the football team, said this year's pep rallies were very stimulating. They truly believed that they had the best fans ever. A new tradition was also started by the cheerleaders and team. Everyone was to stand and hold up one finger as a symbol that the Eagles were number one. And that kind of spirit never ends.

# Money, Money, Money

Senior Lily Daughtery awaits students to come buy her baked goods

Alan Wilson, junior, helps get the cafeteria ready for the April Fools Dance sponsored by the juniors.

Every club, class and organization has their own way of making money. The classes sold everything from sausage and cheese to T-shirts. The biggest fund raiser was the carnation Valentines sold by the Honor Society. There were dances, Road Runner cartoons, lip contests, bake sales, grapefruit sales, and the old reliable, candy. The money raised always went to something worthwhile

Senior Greg Barnes tries to decide who the lucky girl will be to receive a carnation from him, as Vicki Johnson and Liz Prim wait

# Stuff, Munch and . . .

stuff and munch some more. It was the annual Do-Nut Eating Contest sponsored by the Student Council. Four students represented each class as they raced to see who could cram down the most donuts the fastest. The big munchers for each class were: Kyle Cornwell for the Sophomores, Connie King for the Juniors and Randy Robertson for the Seniors. The Grand Mr. Do-Nut himself was Freshman Kenneth Cotton who wolfed down 32 glazed ones in twenty minutes

The Juniors cheer as Connie King breaks ahead by four do-nuts

Donna Stolper can't believe that Randy Robertson just put a dozen doughnuts in his mouth.

Freshman Kenneth Cotton feels The Triumph of Victory the agony will come later

# Have It Your Way

"These frenchfries are finger lickin' good," says Sandy Reames

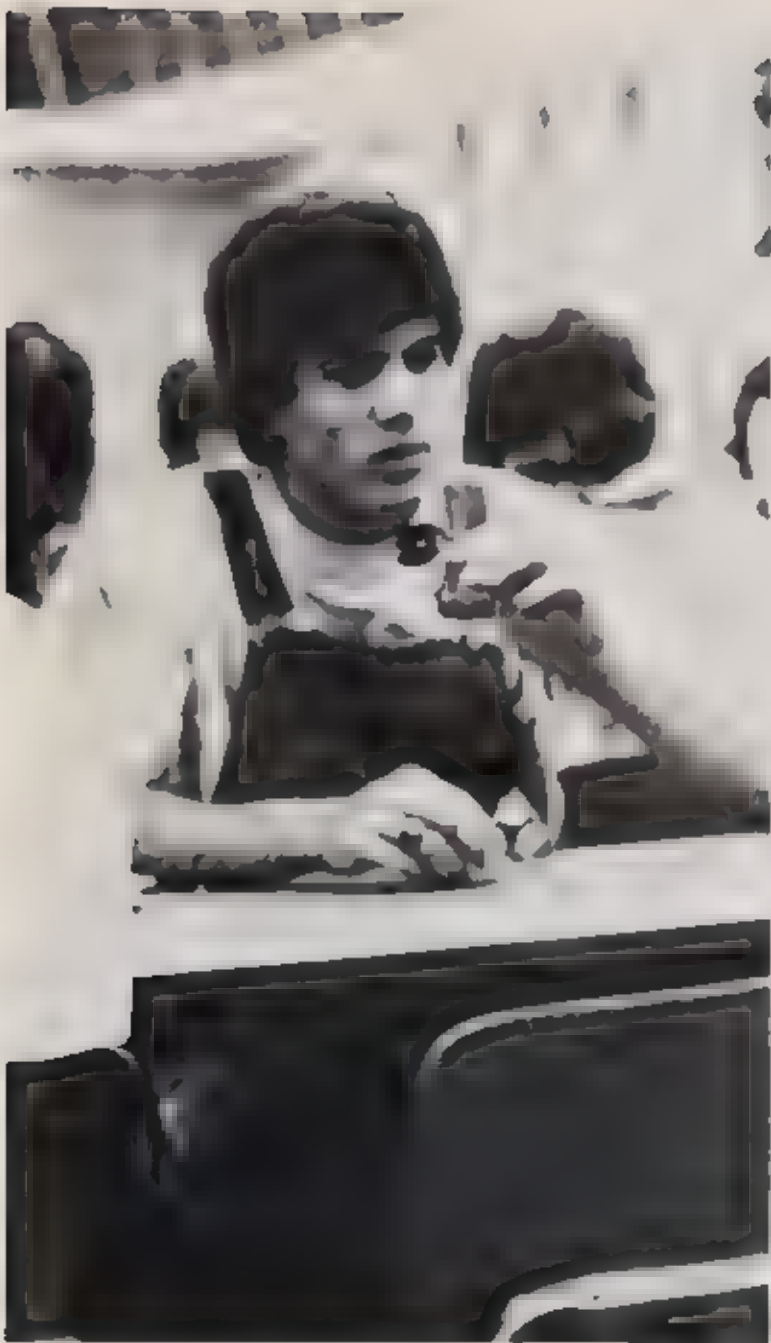

Juniors Melanie Hungerford and Shellie Hill try to manage with all their Reames

Whether eating or skipping study lab, you more than likely end up in the "Cafeteria." It's the escape from the daily school rut. One hears discussions on "What's in this Hot Dog" to "Oh Boy, it's Chicken Fried Steak again."

When not eating, students can be found studying, cutting in long lunch lines, watching the slush machine overflow, telling corny Aggie jokes, gossiping or just being relaxed and loud during their break.

A favorite food day is Thursday's Hamburger Day

Senior Greg Winn's favorite dessert is a grape Life saver Sucker.

Freshman Susan Rust and Monica Tofte use their lunch period to celebrate birthdays, complete with streamers, party hats, cake, and noise makers

Some students find the time to "g-g wholesome" during lunch, such as Seniors John Nash, Mike Hurst, Bobby Copeland, Jeff Cantrell, and Sophomore Telina Lee

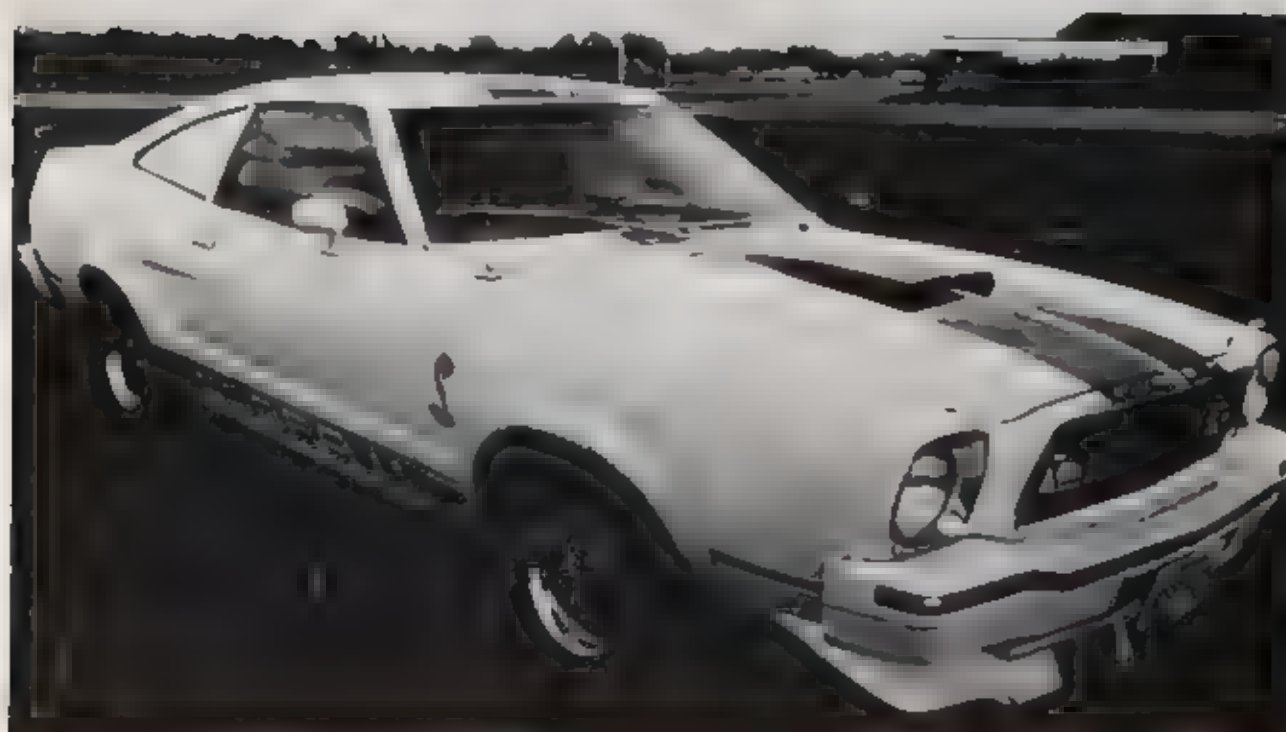

# Ways of

Since 1977 brought Trans Am Mania, Senior Jimmy Padillo fits right in with his '77 Pontiac

Senior Steve Catlett drives a pick up that is outstanding at lke It's lemon yellow complete with a chain link steering wheel

This sporty Cobra II has a four cylinder and four on the floor and is Sen or Terrell Henley's way of "getting around "

# *Cruisin'*

Senior Jeff Cantrell owns his own classic; a candy fire engineered '57 Chevy. It has roll pleated interior and a high performance 283

Another American Graffiti classic is Senior Greg Winn's original '55 Chevy. The only new things are the seatcovers and mags

Cruisin' around is a big thing at Ike. Cars and trucks have come a long way. Everything is customized today; cars can have anything from fur lining and fog lights to zodiac signs and pinstripes. Vehicles can express the owner's personality and the way that he drives. Cruisin' around in their own car or truck is a favorite pastime of many students.

Senior Ricky Ellis drives this customized Chevrolet Malibu. He's customized it with side and glass packs

# Yee-Haw!

Everyone does the Bunny hop

Hey Baby, Want'a get lucky??

Music was provided by Southern Comfort

On November 12, the Senior Class sponsored the first Sadie Hawkins Dance. The girls were to ask guys to this dance which was complete with hay and shotgun wedding pictures. Music was provided by Southern Comfort which included Senior Rock Phillips and David Broyles

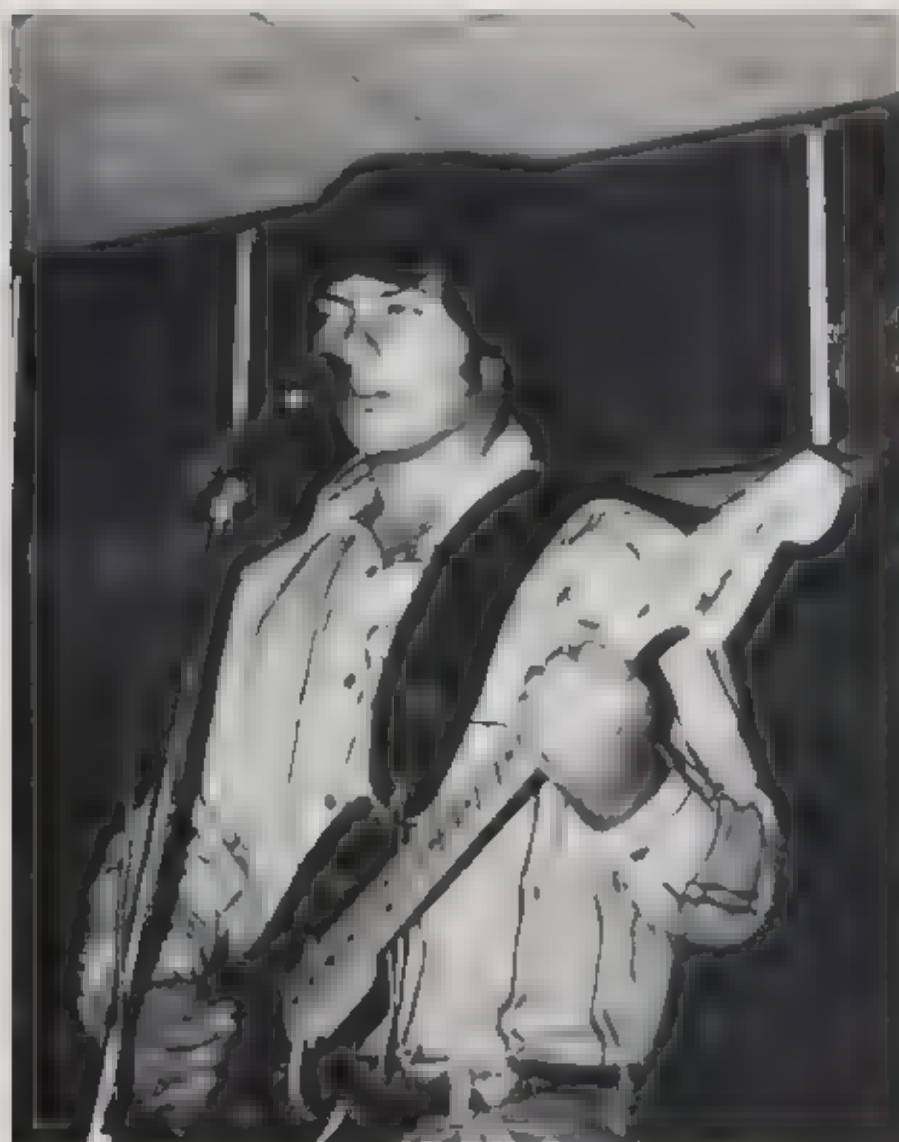

"You want'a dance again?" moans Steve Catlett to Brenda Gooden

Senior Troy Smith smiles for the camera as Tina and Kristi Emerson laugh

Jimmy Camp tries to 2 step with Angela Macey

Senior Rock Phillips gets that peaceful, easy, feeling

Senior Ana Rodriguez smiles to escort Jeff Cantrell about being crowned the 78 Sweetheart

## *Basketball Sweetheart*

Rhodesia Lastrap, 77 Sweetheart and Mr. Smith crown Ana in center court

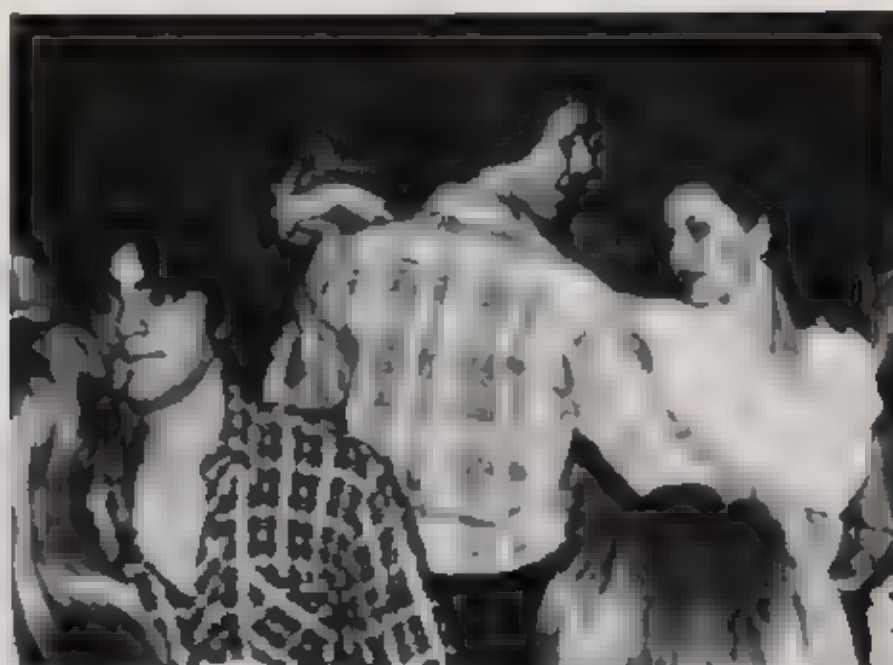

Seniors show their spirit during the game

On February 3, the Eagle Basketball Team played New Caney. Along with the ordinary spirit, there was also extra anticipation for halftime. The new Basketball Sweetheart was to be announced. Senior Basketball players were the escorts for the girls the team nominated. Senior Ana Rodriguez was crowned the new Sweetheart. Ana's escort was Jeff Cantrell.

The court was Senior Brenda Gooden escorted by Mike Rump, Junior Jamie Sims escorted by Greg Winn, and Junior Anita Wells escorted by Cary Carroll. After the easy victory for Ike, there was a dance held in the Sweetheart's honor.

Senior Doug Supernaw and Sophomore Kim Schmidt were the winners of the Disco Dancing Contest

Everyone joined in the fun of the Dance Contests, even Seniors!

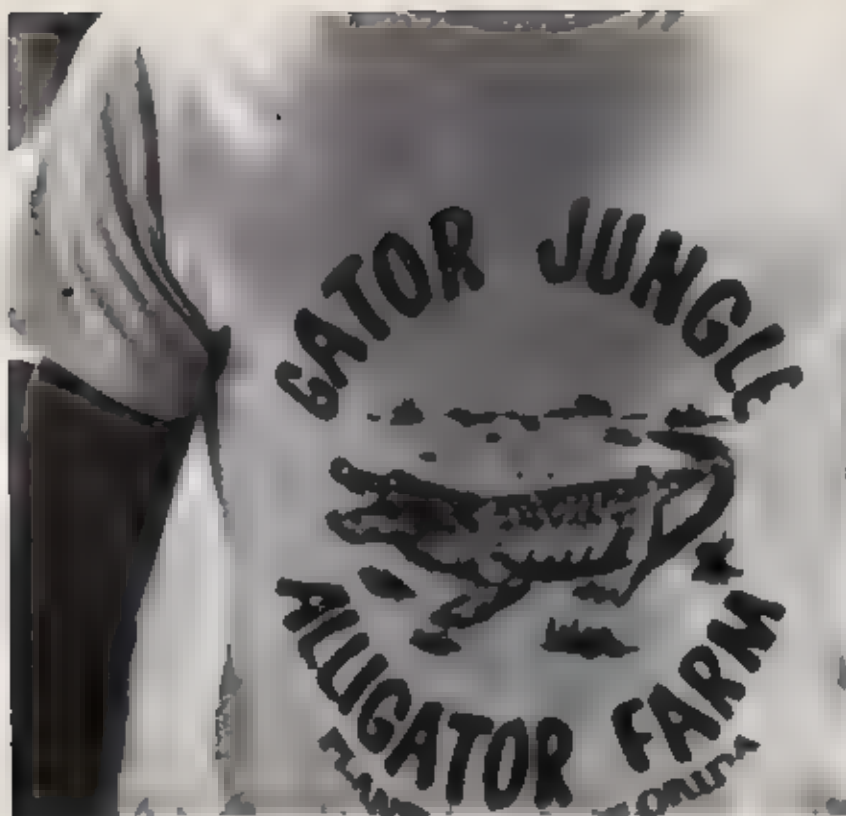

Freshman Debbie Noland shows everyone how to BOOGIE!

Sommer Moore, freshman, tries to tell everyone that she doesn't know how to dance

## The "In" Thing!

The most popular fashions among students today are 100% cotton T-Shirts. Whether they display a favorite group, a popular place to go, or even a well known expression, nowadays T-Shirts say anything. Cool to wear, the T-Shirt is mostly worn with blue jeans. This adds to the more "relaxed" attitude that students have today.

A dressy shoe for the girls

The 'jean' shoe, desert boots and or an earth shoe

What the feet are covered with is almost always something comfortable, yet stylish. The Jocks can always be found decked out in Adidas Sneakers, while an even more popular dress is the "Cow boy Boot." Girls style-out in anything from Famoralores to Espadrilles. During the spring months, students wear flip-flops, yo-yo's, hoe-hoes, and the newest fad, "tiddies." This style of dress compliments the Levi jeans and T-shirts, for a more easy-going way of style.

*The Joy*

*Of Giving*

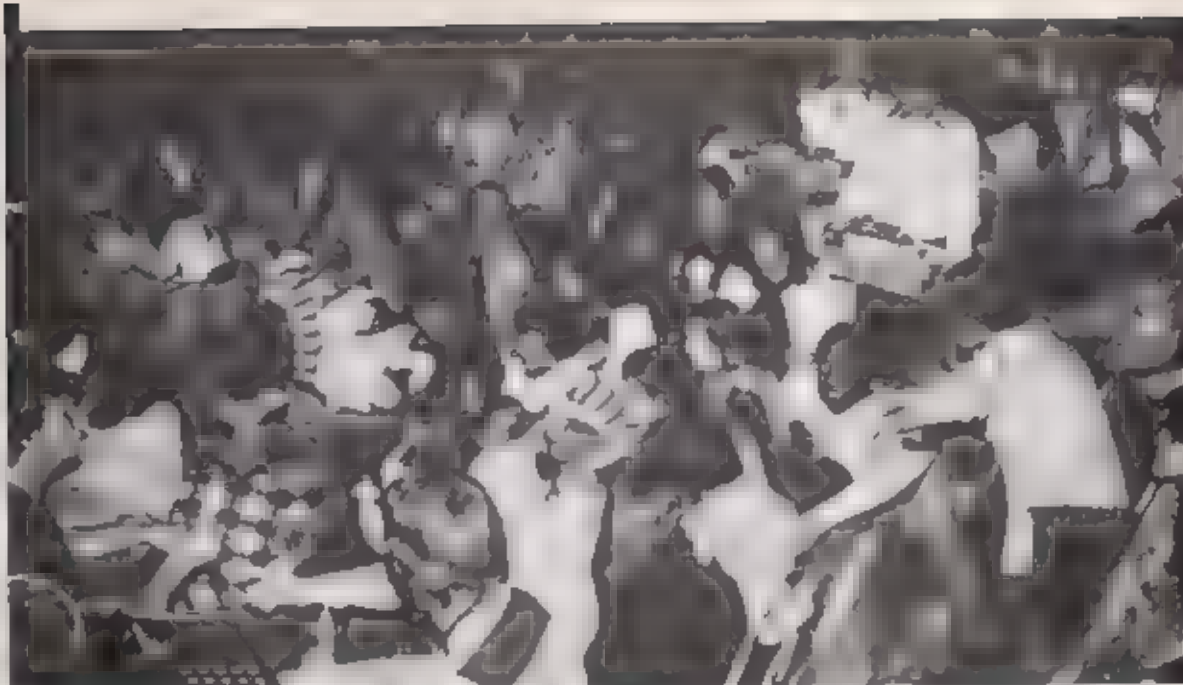

This year the Student Council put everyone in the Christmas spirit by having Carolers dressed up with candles as they sang down the aisle. The annual Adopt One Program was also visited by Santa Clause

The Program which is designed to provide presents and food for three families less fortunate, was the most successful in all of the district. Ike's Student Council was awarded honors for their success

The Freshman class was also awarded with \$109.75 for the cans they collected. The Student Council paid a nickel for each can collected.

This year Eisenhower was proud of the outstanding job they did with the program. It left everyone with the true spirit of Christmas and the joy of giving

## *It Was a Good Year*

It was the year Jimmy Carter came into office, R2-D2 of Star Wars was the nation's new hero; Bing and The King, Elvis, died. New York blacked out and Reggie Jackson hit three World Series homeruns. First Brother Billy christened a new beer and Queen Elizabeth celebrated her silver Jubilee. Farrah Fawcett-Majors posed for modified hang-out posters, while America made comedian Steve Martin famous. It was the year Rocky became a champion and Muhammad Ali did not.

The Italian Stallion

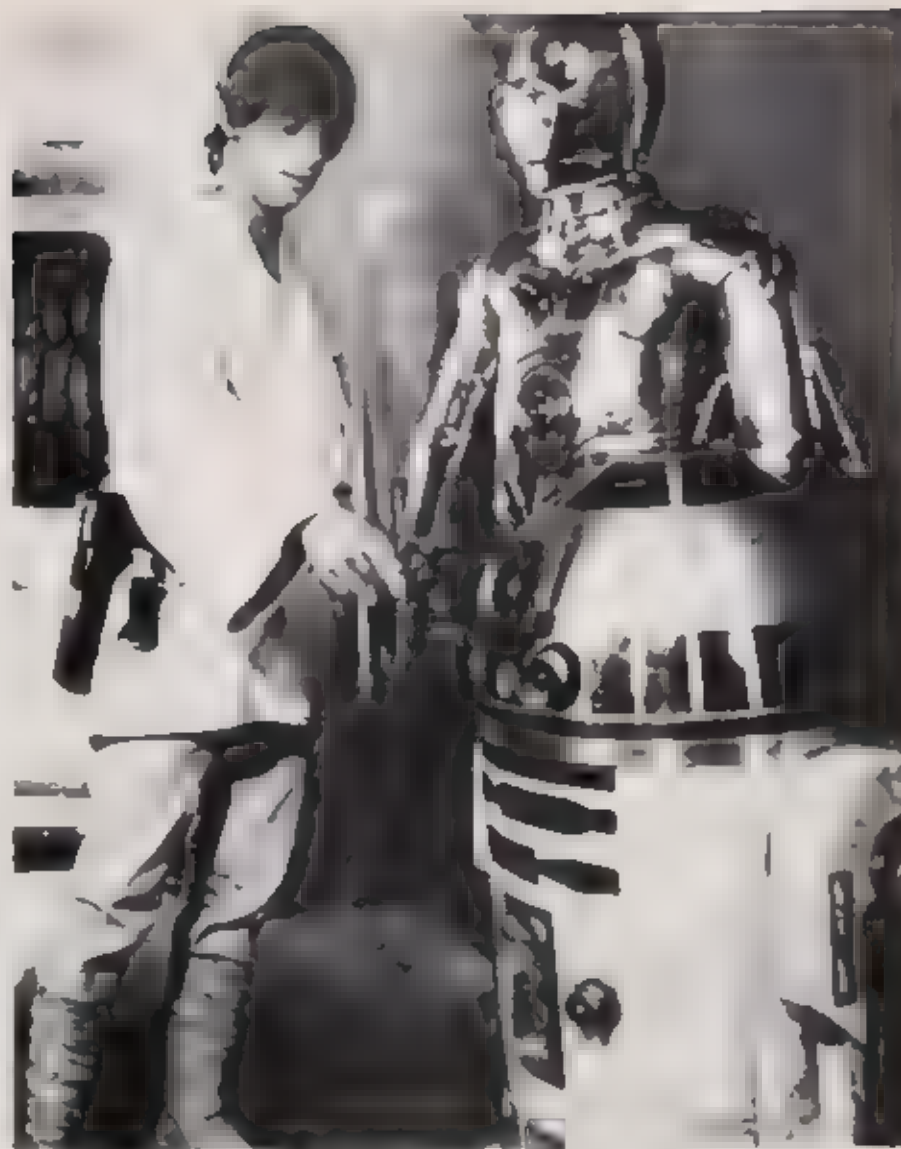

A "Crazy King of Guy"

Annie Hall became the best picture while Fleetwood Mac stayed number one on the album charts. Punk Rock went in and out leaving Led Zeppelin, Aerosmith and Van Halen at the top.

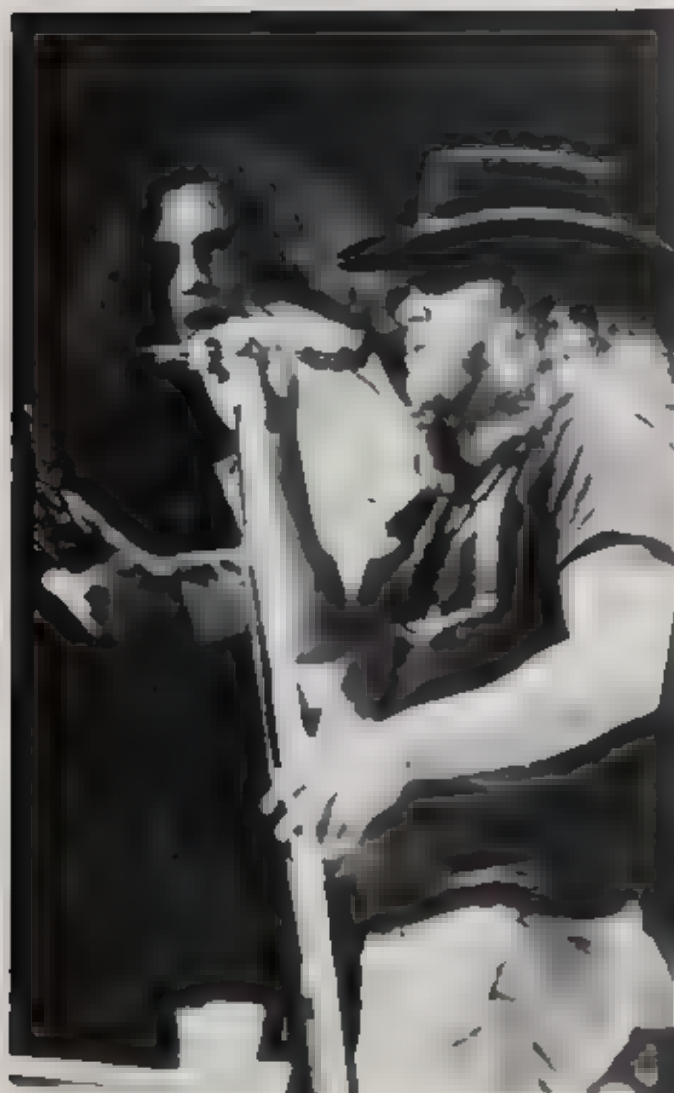

Fans were saddened with the deaths of members of the number one group, Lynard Skynard.

It was the year Notre Dame beat the cotton out of Texas and Dallas won the Super Bowl. Heisman Trophy winner Earl Campbell signed with the Houston Oilers for 1.2 million.

It was a year of change and confrontation that leaves the future a challenge. We dedicate these pages to the Seniors of 1978 in hopes that they will conquer this challenge.

## Disco Fever '78

Disco Fever set the stage for the 1978 Variety Show. With the popularity of Saturday Night Fever the theme seemed appropriate. Student Council officers introduced country and rock bands, dancers, and outstanding singers performing everything from soul to easy listening. Even senior Greg Winn showed us his real self by pouring his heart out in a song.

Sharla Branch, secretary of the Student Council said, "The show was a lot of fun and showed talent never before displayed at Ike. The theme and the backdrop added to the whole performance."

"... and the next act is . . .," announced sophomore Terry Williams

Junior Mark Smith and Senior Kelly Beck played some easy listening music to mellow out the crowd

Junior Andrus Flemming entertains everyone with "Our Love"

Sophomore Robin Carroll amazed the audience with her great twirling

Freshmen Jimmy Dixon and Ramona Lewis sing "How Deep Is Your Love"

Senior Craig Klein gets down

Senior Sergio Vasquez jams on "House of the Rising Sun."

Freshman Joel Klein comes down with Cat Scratch Fever

Reg na Kirby sings "My Heart Belongs to Me"

Senior John Wells plays the drums for Vanilla Road

Senior Bob Reilly — "doo wahdoowah baby yeahyeahyeah"

# *Let Us Call You Sweetheart*

Master and Mistress of Ceremonies Tom Donlevy and Vivian Bishop

Nerves, excitement, and the desire to win were the feelings shared by all participants in Coronation. February 14 was the night and the theme was "Let Us Call You Sweetheart." The stage set a nostalgic mood with its big red hearts and a Barbershop Quartet.

Master and Mistress of Ceremonies, Tom Donlevy and Vivian Bishop, discussed each candidate's interests, hobbies, activities, and most embarrassing moment as they walked through the doorways.

Although Coronation was practiced over and over, the combination of unsureness and anticipation resulted in a few awkward moments. But in the end, the 1978 Coronation as a whole, turned out beautifully, with a feeling of success and relief.

## *Mr. and Mrs. Eisenhower*

Seniors Cathy Gentry and Mike Berhle were named Mr. and Miss Eisenhower. Cathy was a member of the National Honor Society and was the 1977 Homecoming Queen. Mike was Captain of the football team and President of Student Council. The honors they received represent leadership, character, school spirit, and academic ability throughout their four years at Ike.

Runnerups for the honor were Brenda Gooden, Bill Bassett, Sharla Branch and Greg Barnes.

# *Most Beautiful and Most Handsome*

Senior Debra Hix and Steve Callett

Sophomore Sharon Roach and Mike Burns

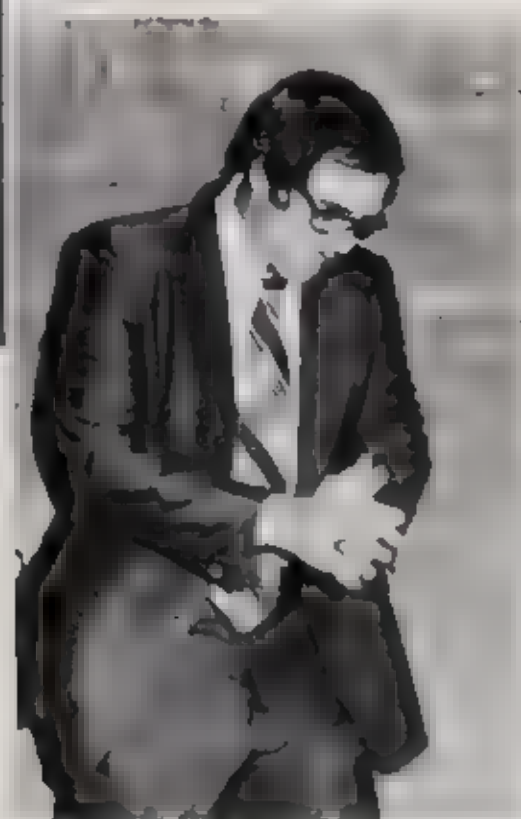

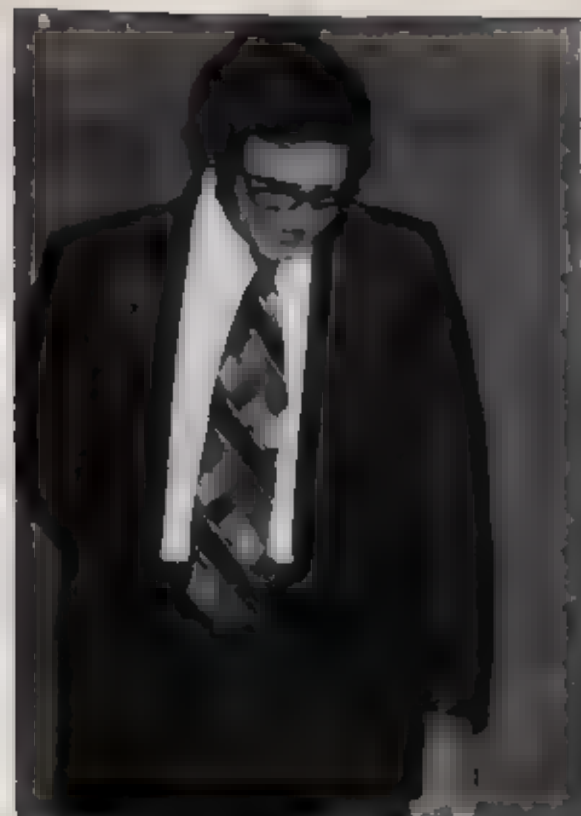

Junior Melanie Williams and Sammy Bracato

Freshman Candi Smith and Ceasar Rodriguez

## *Dedication of the LaQuila*

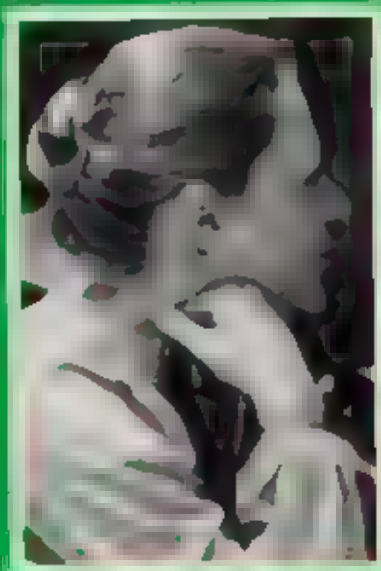

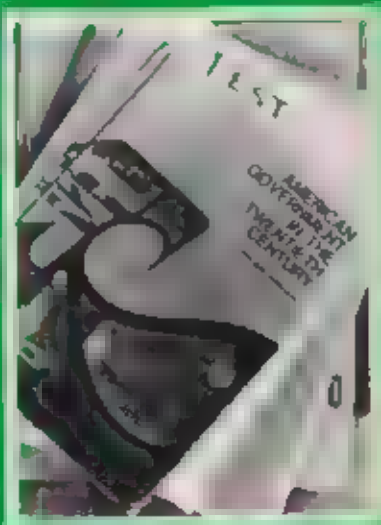

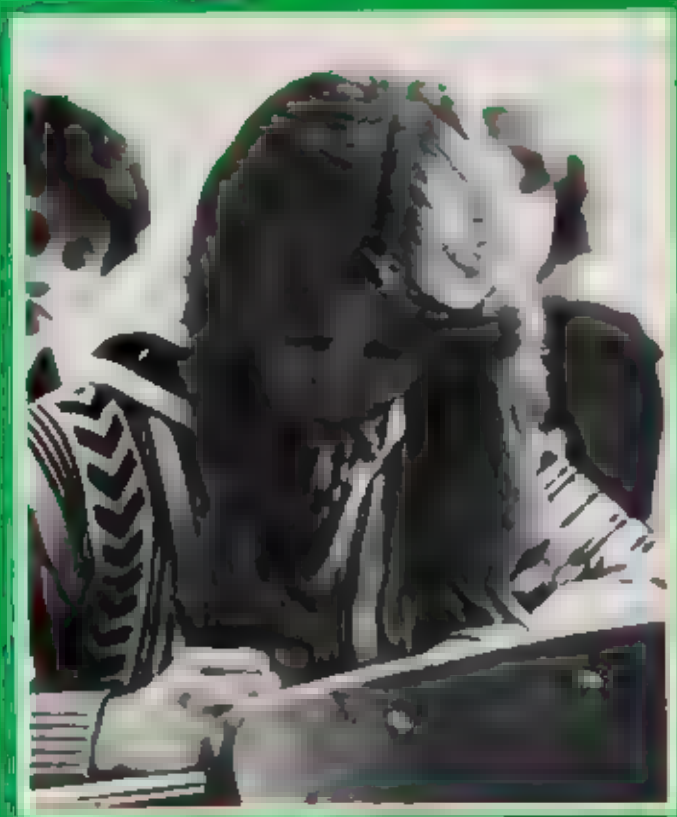

"... and for his outstanding service, concern, and dedication to the students, and the school, the 1978 Aquila yearbook is dedicated to Mr. Barton Massey," announced Ken Weems, Yearbook Sponsor, as the highlight of the Coronation

An astonished Mr. Massey came up to the stage and thanked everyone. "I have been the recipient of many nice things and this is one of the nicest. I hope I can always strive to uphold the attributes this award stands for."

# ACADEMICS

# Making It All Add Up

Every year there are many math courses offered at Eisenhower. Basic classes such as Introductory Algebra 1 and 2 and FOM are available for those who are not math orientated. Students planning to go on to college or that excel in math take classes like Algebra, geometry, Trigonometry, and Elementary Analysis.

What? exclaims Debbie Vincent, disgusted with the traumas of Algebra 1

Frank Mitchell sets out to do some serious Geometry

Mike Mollonson shows us how high he can count

"Get your hands off me, Kenneth!" jokes Jeri Curie as Dena Campbell watches, offering no help

Cary Flynn tries to bribe Mr. Maurer with an Easter egg

Tony Aiken tries to explain to Jessica Supernaw how he got his answer in Algebra

# *Math and Science Teams Excel*

The math and science teams had a very successful year. In number sense, Anita Wells placed fourth in regionals while Alan Wilson placed second in regionals and ninth in state.

The science team received many awards. They entered various science fairs and competed against other teams in written tests. They placed highly in most of these contests.

The Calculator team also did very well, placing high in many contests. One of these was the J.E.T.S. Math Contest held at Texas A and M University. Bill Basset received a scholarship for his outstanding accomplishments at J.E.T.S.

THE NUMBER SENSE TEAM Simon Mak, Alan Wilson, Blake Smith, Anita Wells, and John Shannon

SCIENCE TEAM David Puleggi, Ron Wilson, Robert Reuscher

CALCULATOR TEAM Bill Basset, Susan Noakes, Margie Reader, Carla Garry, Peggy Mak, and Tab Cooper

# Sorting It All Out

Each year when the freshmen come to Eisenhower they find a whole range of science courses to choose from. Only two years of science are required to graduate, but students may take advanced science classes such as Chemistry I, Physics, or Biology II. A new course offered at Ike this year is Chemistry II, taught by Mrs. O. Dry. Along with Mrs. Dry, Coach Dixon, Mrs. Gorden, Mrs. Lewallen, and Mrs. Wooten make up the science department. Their goal is to help us better understand ourselves and our world through science.

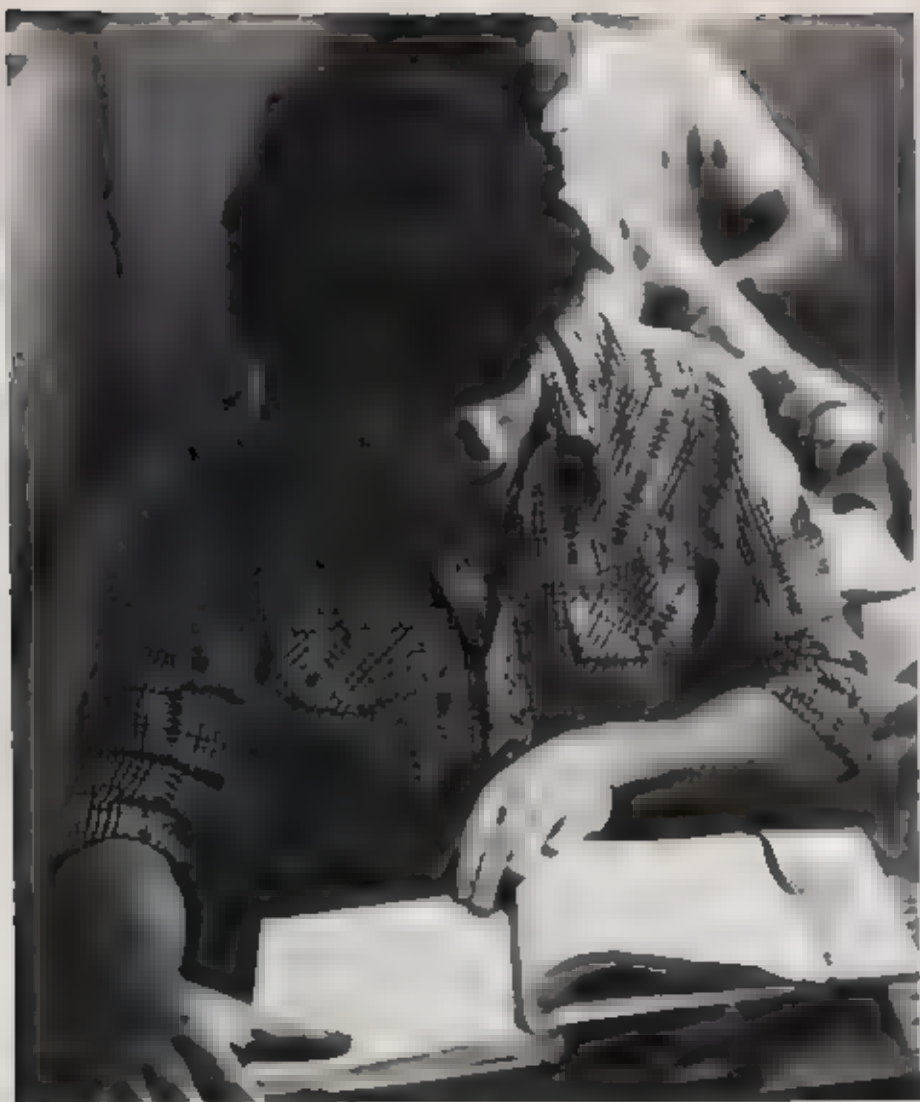

Mmmm, is this what they're serving for lunch today?" asks Billy Wagner

"It looks like Greek to me!" Freshman Mike West discovers the perils of G.P.S

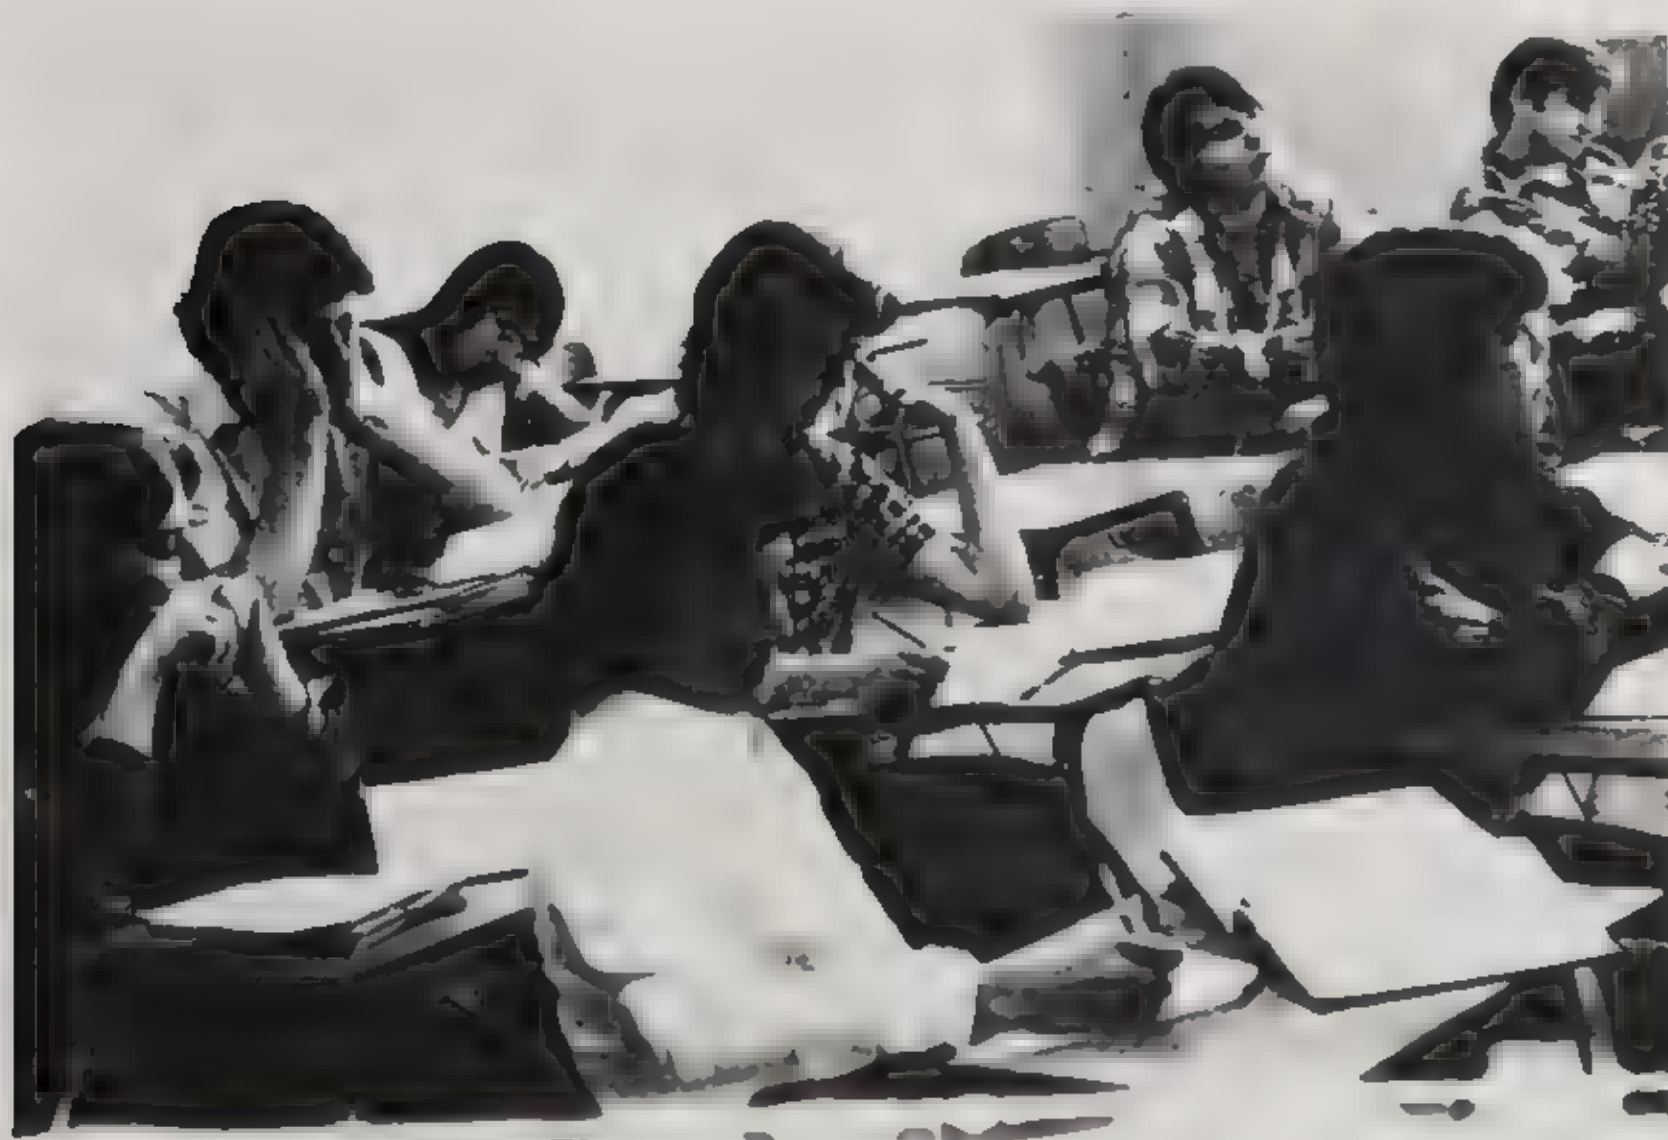

"I wish this would hurry. I'm tired of waiting!" says Mark Hayes

David Stork finds it is eas er to laugh than cry about G P S

"I do not have the answers wr tten on my hand!" exclaims Becky Reilly

Theoretically speaking, chemistry was never meant for first period

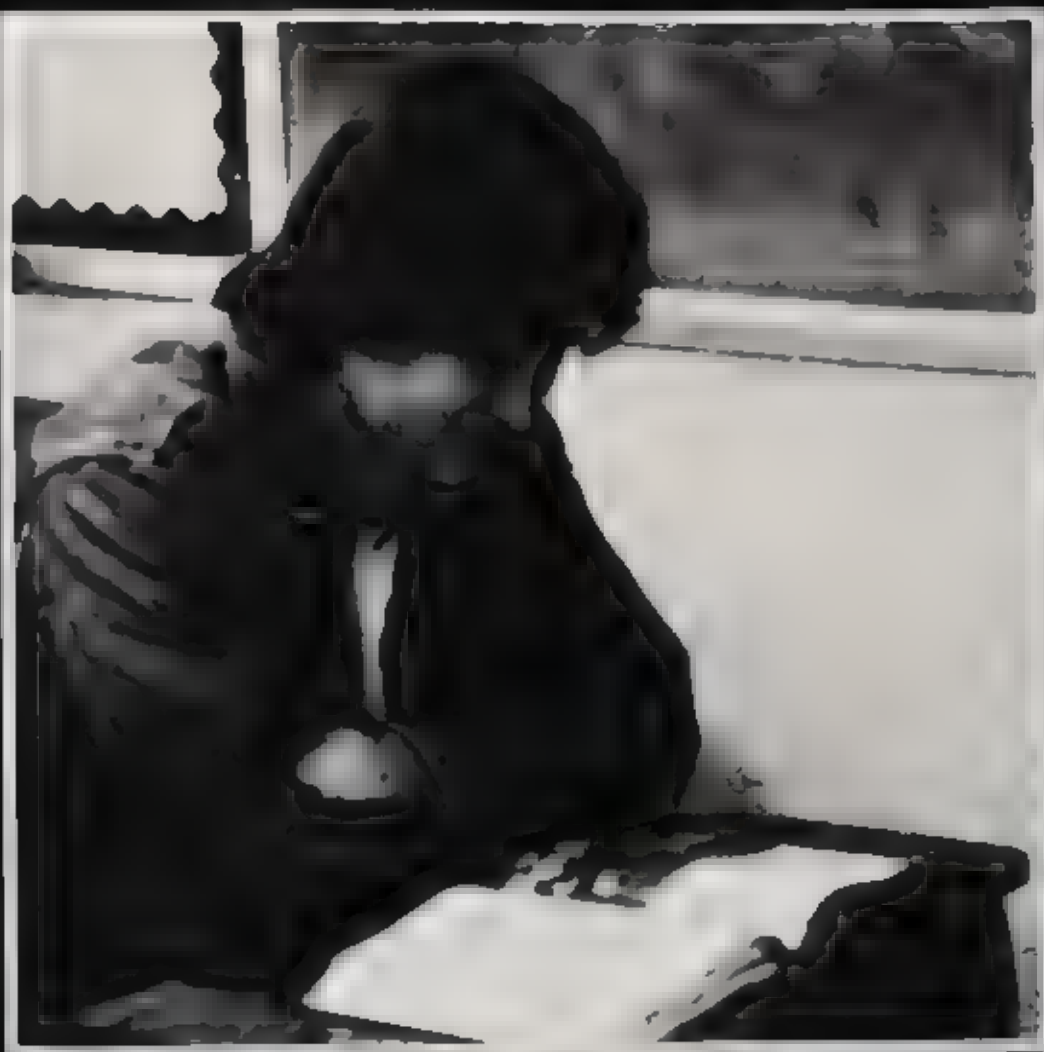

# Revolution From Evolution

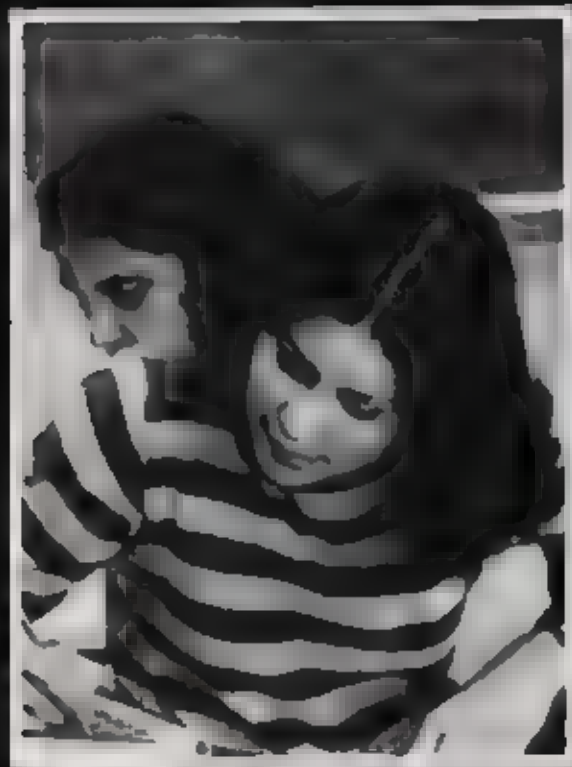

History is in the making every day. It's around us, behind us; history is us. What we do will shape the lives of others. From the French Revolution to Jimmy Carter's foreign affairs, history is a way of life.

Teachers at Eisenhower enjoy discussing the world situations of the past and present with students. In order to live in a world as technically advanced as ours, we must be able to understand how it has progressed.

Ike's teachers are dedicated to using the past to help us understand the future through U.S. and World History, Government, and Problems in Democracy.

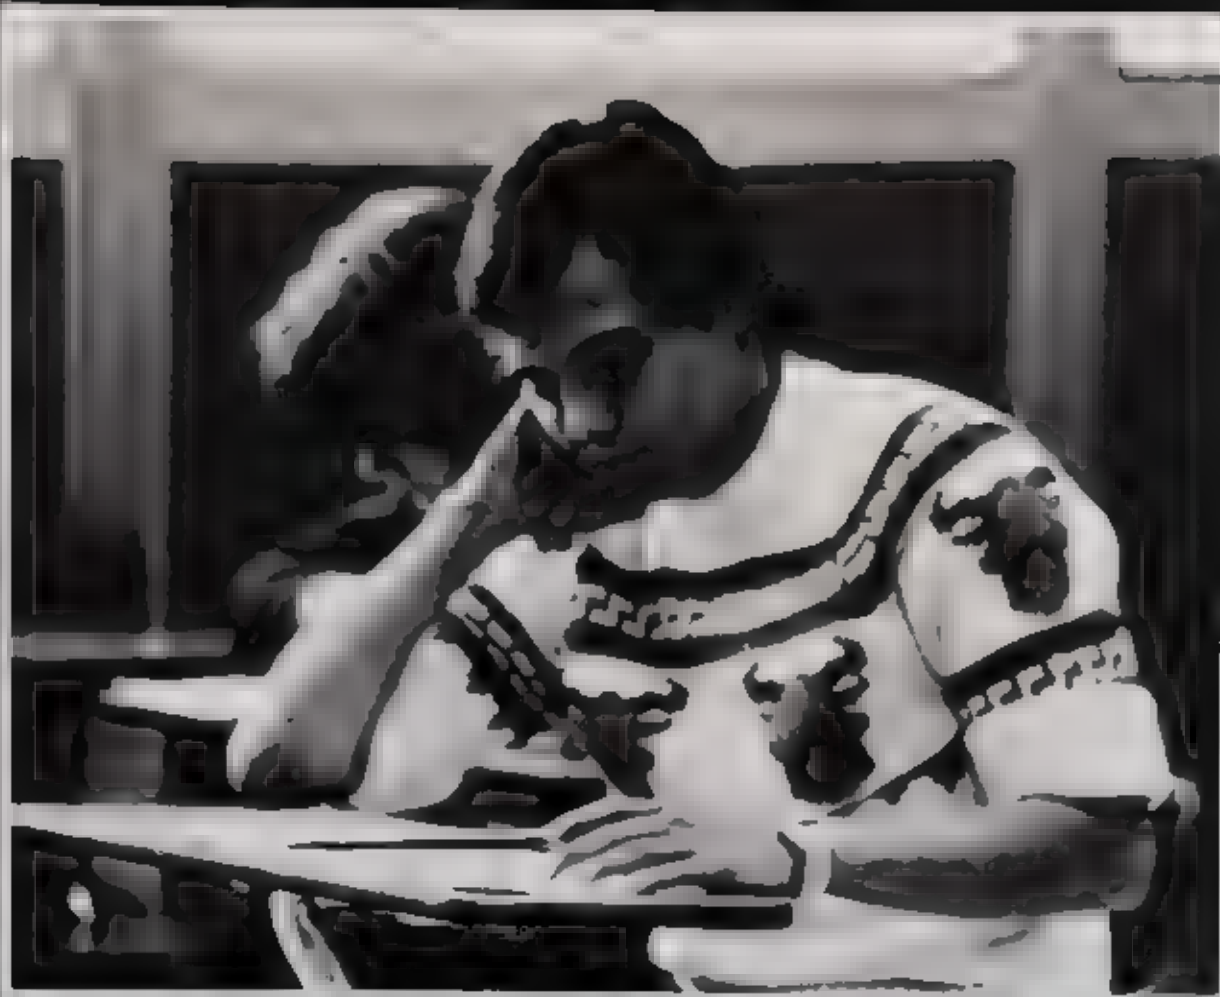

Freshman Monica Tofte finds out that History requires note-taking.

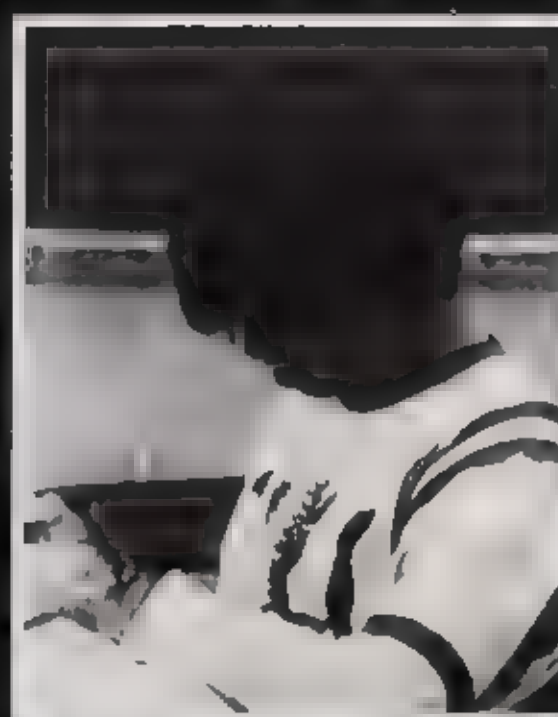

Senior Bret Reagan enjoys studying Government.

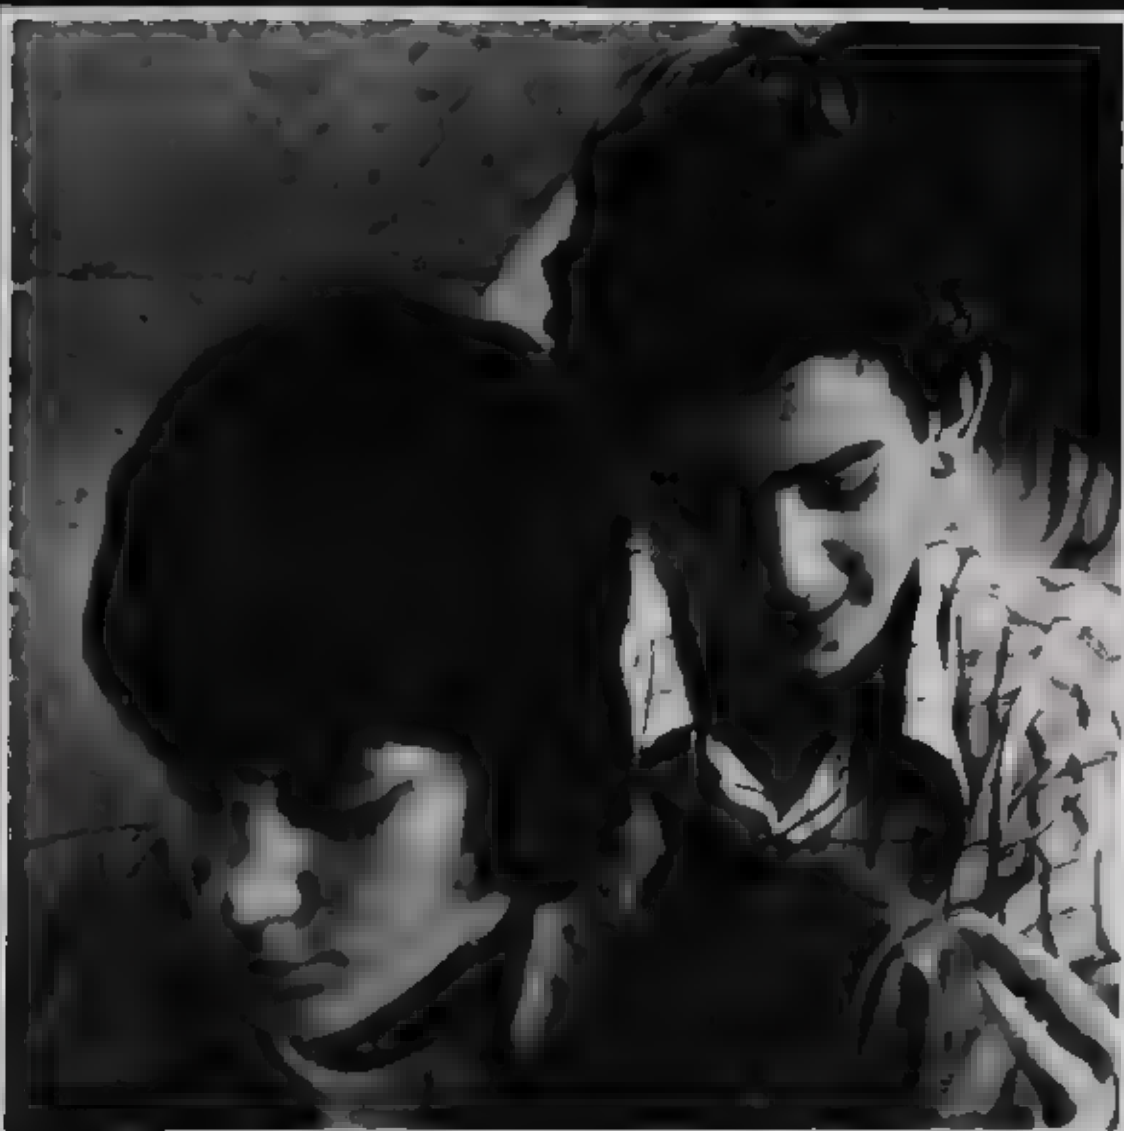

Suphomore Kathy Pou looks in despair over the assignment of World War II.

Senior Carlos Rosales tries hard to concentrate on his notes.

In a rare moment of silence, Mark Danton works on Government.

Freshmen Ed Spinks and Brad Welch enjoy the time they have to study their history.

"You think you're smart, Chris," Jeff Schumann tells Chris Smart.

# *1978 Close-Up Trip to Washington*

Vivian Bishop and Congressman Bob Eckardt chatting during a luncheon

Terri Botkin and Bill Bassett taking a break during a luncheon

"You've got to be kidding," snickers Mike Hurst to Coach Thomas

Eric Bassett daydreaming while he overlooks the Platonie

The Close-Up trip to Washington this year was enjoyable to everyone that went. Before the group left to Washington they raised \$465.00 by working, getting sponsors, or contributions from their parents.

The participants appreciated Coach Thomas's hard work and effort that went into making the trip a successful one. Along with a tour of the city, the Smithsonian Institution, and the Capital, they also went to briefings, seminars and group discussions. The meetings all dealt with current political issues. Along with the meetings there were seminars which were held by Senators, Congressmen and other political figures.

Not only was the trip very educational; it was fun also. There was six inches of snow on the ground, when the group arrived. It snowed once while they were there and it was a real treat for a lot of students that had never seen snow before.

The Close-Up trip was a lot of fun and everyone had a good time.

# Government

Each year a new group of seniors gets involved in Government. The classes entail learning political processes, growing political awareness, and group interactions discussing right and freedoms as a citizen. Most all Government students participate in local or national Close Up to further enrich their political education.

# Language Today and Tomorrow

A required course for all levels is English. To fulfill the year, subjects such as Advanced Grammar, Composition, Literatures and Individualized Reading are offered

Everything from nouns to verbs to complex sentences is covered throughout four years of High School. English helps students understand their own language as well as that of others

Beth Diven tries hard to concentrate on her English assignment

Jeff Milliken pours over a magazine, oblivious to his teacher's lecturing

# Developments in Photography

Photography is a subject that takes a lot of time and practice. First year photography is the toughest part. The first quarter is mostly taking notes on the history of photography. Second and third quarter photojournalism entails learning how to use a camera and the fundamentals of developing film and printing. Photography teaches its students that there is more to taking pictures than clicking a shutter.

As the year goes on, the Photo I classes experiment with different types of filters, and practice using automatic flashes and close-up lenses.

Photo II goes into more detail than Photo I, using special effects and advanced printing techniques.

Photo I students wrote reports to help expand their knowledge. Tianne Jones works on hers

Warren Shaffner listens as Mr. Weems explains how to use filters

# General Business

The business department is designed to give students an idea of what a business career involves. Many of the business courses like offers are helpful not only in professions but in home management

Business law teaches the basics of everyday law. Students studied vocabulary words, cases, kept notebooks, and took weekly tests to help increase their their knowledge.

"Recording" entailed record keeping for small businesses with class discussions about solving problems.

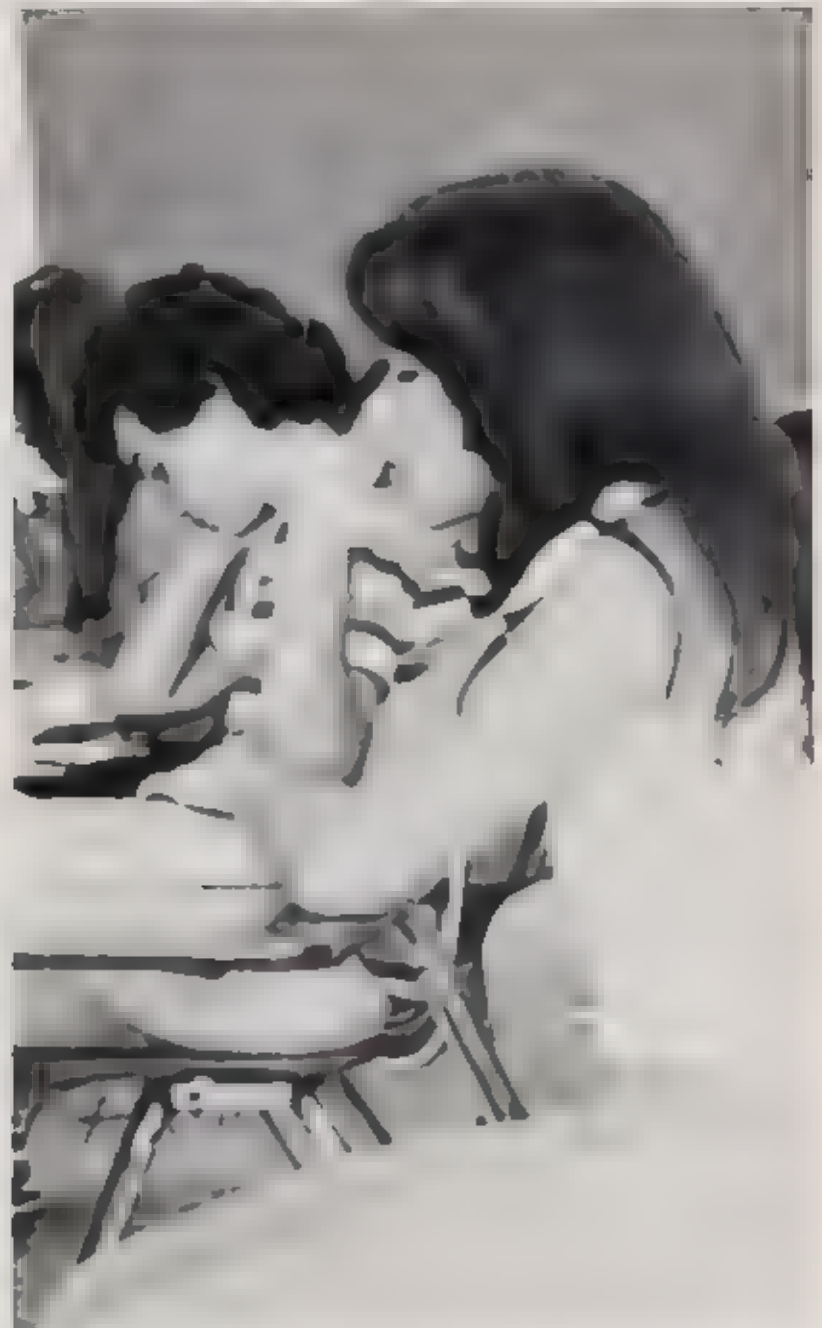

Business courses give students an idea of what kind of career in business they would like to pursue.

Joe Reed studies while an enemy spacesh p lurks in the background

Sharon Smith takes down her teacher's dictation on management

Annette Humphrey listens intently to the class discussion going on around her

# Typing for Tomorrow

The most popular course offered at Ike was Typing I. It teaches students the parts of the keyboard and the machine itself as well as how to type formal business letters, manuscripts and reports. Students were tested on speed and accuracy. Typing is an advanced course that prepares students for careers that involve the need for this skill.

Mrs. Kaiser discusses the day's assignment

Susan Noakes patiently practices her typing ability

How in the world did I type that?" wonders Junior Michell Weems

Valerie Bielenda reads over what she typed.

"This book does not make sense," says Junior Kelly Medina

Mrs. Hernandez always finds time to help a student in need

Michele Weems types as fast as she can during a time test

Maria McArver concentrates on "getting this one right "

# Bringing Back Family Life

In Home Economics, students are taught many things involved in making family living successful. Subjects varied from family relations to food and nutrition, and covered housing, furnishing, and home management. Home skills such as cooking and sewing were also taught. Pupils often practiced cooking, and the 400 hall was often filled with the aromas of a home-cooked meal. Students were advised on how to make a balanced meal look and taste appetizing. Being well groomed and healthful living are considered important factors in Home Economics.

In Child Development, juniors and seniors take care of small children. Working with children teaches students much more than a book could.

# *Español Le Français*

Every year the foreign language classes are becoming larger as students realize their importance. During the year, the foreign language department won many ribbons at various foreign language festivals. Contests in poetry, spelling, culture, as well as pastry making, singing, and dancing were held for students of all languages.

This year the Spanish classes visited Spain. In eight days the touring students enriched their knowledge of Spain's culture and history.

A new course offered at Eisenhower this year was Latin. Although no longer spoken, Latin helps us to understand other languages.

# Tunes for Today

Finding music that a 96 piece band can play and that students will enjoy is one of the problems facing the Eagle Band and their new director, Mr. Albert (Mickey) Tate. To have a good band requires concentration, teamwork, and a lot of rehearsing. The Mighty Eagle Band achieved a superior rating at U.I.L. Marching Contest as a result of this dedication. The band officers are pres. Daniel Protz, v.p. Cindy Culver, and sec.-treas. John Wells.

## *The 1977-78 A Cappella Choir*

Accompanists Bill Fleming and Dawn Jones

The A Cappella Choir, under the direction of Mrs Polnick, received many awards this year. Many members competed in the U.I.L. Solo and Ensemble Contest and three made the All Region Choir. Ike's talented choir was invited to the Gulf Coast Choir Festival. At another U.I.L. contest for concert performing and sight reading, the choir was rated as excellent. Over-all, Eisenhower's choir has been well rewarded for an outstanding effort.

# Coloring Our World

Art is more than a class to go to and doodle for an hour. It offers students a way to express themselves creatively and is an outlet for their emotions. In art classes, students get lessons in sketching, shading, and watercolor. Crafts such as pottery, leather tooling, and drafting are also offered

Advanced art courses are offered for exceptionally talented students

In pottery class, Karen Conklin paints a vase

Randy Robertson and Hollywood make bowls in art class

Woodshop classes hamming it up

# Working Wonders With Wood

Woodshop is a popular elective that is taken by most boys during high school. Students learn the art of woodworking and do projects in woodshop. This year the shop classes made ski ramps for the gym classes to practice on. Woodshop teaches boys skills that will be useful and valuable later in life.

Woodshop isn't a ways all work and no play

# Hair Today

Cosmetology teaches proper grooming, skin care, and getting along with others. It prepares girls for careers as beauticians. Girls learn to set and cut hair, style wigs, manicure nails and give facials. Skill contests were held among the class. Cosmetology is offered as a three hour course to juniors and seniors.

The D E officers

D E. is a vocational program which prepares a person for a career in marketing or distribution. Students involved in D E. have one hour of classroom D.E., three hours of regular classes, and at 12:00 are released to report to their training station. These included gas stations, hardware, department, and grocery stores.

D E. is an excellent program for students going to college or planning to work after graduating.

Ike

Every time a player goes out to ply his trade he's got to play from the ground up — from the soles of his feet right up to his head. Every inch of him has to play. Some guys play with their heads. That's o.k. You've got to be smart to be No. 1 in any business. But more important, you've got to play with your heart — with every fiber of your body. If you're lucky enough to find a guy with a lot of head and a lot of heart, he's never going to come off the field second.

All of the boys agreed that they learned much, and gained the experience needed on the future varsity teams.

This year there was much more support from Eagle fans, cheering on their favorite team.

# Spiking With Spirit

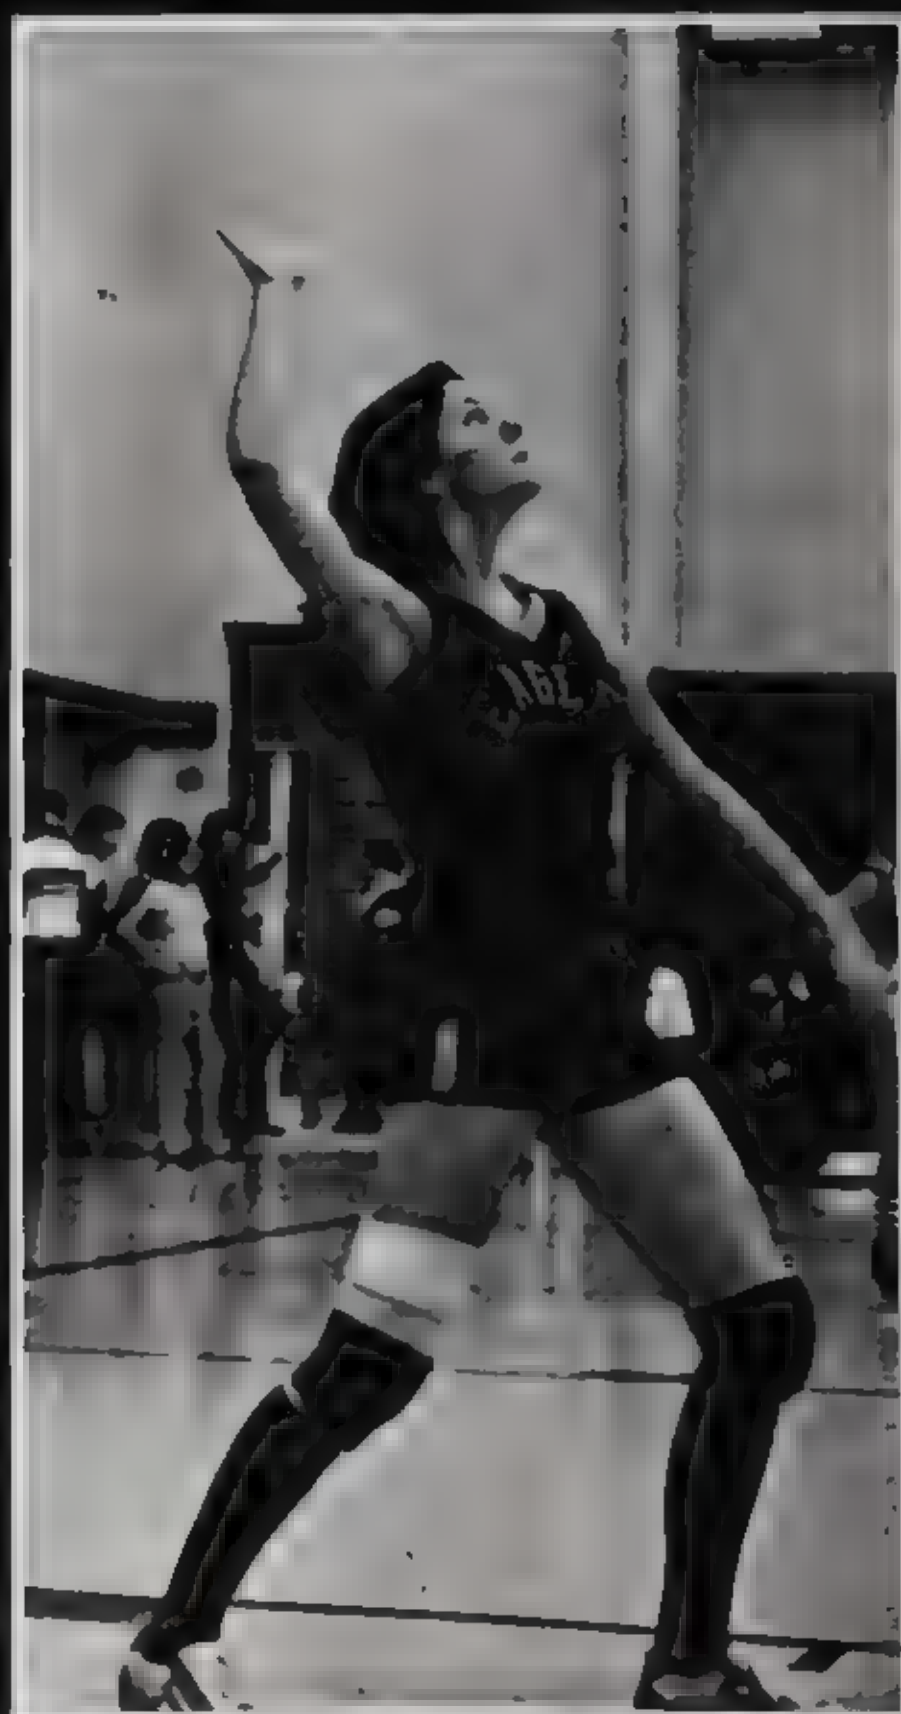

Even though the girls' varsity volleyball team only won three games of the season, the girls' spirit still held up. Throughout the season their enthusiasm grew. The team played much better than their record showed.

The volleyball season starts before school does. The girls have to try out to make the team. They were judged on their ability to spike, bump, serve, and have a good winning attitude. Out of about twenty girls trying out, only thirteen made the team.

When asked what kind of a season the girls had, Mrs. Durst was quoted in saying, "Over all the season was a great improvement on teamwork and offense. We concentrated on our weak points at the beginning so we could run a more defined offense." Team co-captains Tricia Tansey and Sherri Winn both agreed that this year's team seemed to have more competitiveness than teams of the past. All the girls really pulled together for each other to provide a sense of togetherness on the team.

# Future Spikers

Volleyball's fifth year in existence at Eisenhower was pretty successful. The J.V. team had over 25 girls try out, 11 made the team. Practices consisted of running, working on spikes, serves, and bumping. The team worked and played together very well. The season was definitely worthwhile. It started out very well, slumped, then finished strong. The team played for a consolation trophy at Baytown Lee Tournament. This year's J.V. team should be a big help to next year's varsity.

# Starting Out Fresh

The freshman volleyball team was full of enthusiasm this year. Overall the team's record was five wins and four losses. Mrs. Robenstein, freshman coach said, "They never really lost, they always won. They stood together through difficult times." The team didn't play a whole lot of games, but they made the most of the ones they did play. Many freshman players felt that their varsity team would be district contenders.

With everyone participating in many and various sports as Freshmen, before deciding upon their favorites as upper classmen, the Freshman Basketball team was thick in numbers as usual this year. Because of this, the team was composed of an "A" and "B" squad. The "B" squad went undefeated in District play. The "A" squad had a good season, losing only to a couple of teams.

## Girls Shoot the Hoop

The girls varsity basketball team finished the season with a 2 and 21 record. Since there were not any seniors on the team, it was a year for experiments. The team really showed a lot of competitiveness. Coach Lambert says "I feel that we have had a very successful season. The girls didn't have a winning season but they worked hard and that's what counts. They had to practice during first period, and then come back after school to practice from 6:00 to 8:00. They all played up to their present potential and should improve greatly next year."

## J.V. and Freshmen Pull Their Own Weight on Fullcourt

The Junior Varsity and Freshman basketball teams had a successful, and enjoyable season in the eyes of the players and coaches. It was a totally new game of basketball for the players. For the first time at "Ike" the girls were playing fullcourt, instead of the old halfcourt rule. This involved more running and harder workouts. The players discovered that it required even more concentration on both offense and defense.

The JV team wound up the

season with a 9 13 record. The players felt that this was great because it was their first experience with full court basketball.

The Freshman team had a 4 15 record for the season. They defeated Santa Fe, McArthur, Katy, and Navasota. These victories kept their spirit up throughout the season. Coach Lambert and Coach Reibenstein felt that team success this year, would give a boost to the girls basketball teams of the future.

"This was my first year in track and it was really great. It was also a lot of hard work, but everything turned out o k. We learned a lot of things such as how to lose and WIN! I plan to run the next two years, while I'm in high school," said sophomore, Telina Lee

When asked how the coaching was, Jennifer Tansey replied, "Coach Dixon is a great coach! He taught us many things, and I'm sure everyone is going to miss him next year . . ."

This season Coach Dixon had some help in training the girls; this help was volunteered by Coach Reibenstein. Her hard work and efforts were much appreciated by the team.

In addition to the first place finish, Eisenhower also captured the first and second medalist spots with Mark Danton and Chip Craig. The teams' next honor was a tie for third with district rival Humble at the Westchester Invitational held at Walden

Country Club. Bubba Burford also tied for third medalist.

In the Second Annual Eisenhower Invitational the defending champion Eagles finished second. Chip Craig was first medalist with a one under par total of 70 for 18 holes. Other tournaments the Eagles participated in were the Humble Invitational — 5th place; McCullough Invitational — 3rd place; Oshman's Invitational — 3rd place.

All in all it was a very successful season for an outstanding team of performers. For Seniors Mark Danton and Doug Supernaw it marked the end of an outstanding career at Eisenhower. Other returning lettermen are Bubba Burford, Chip Craig, and Blake Smith. Next season will promise to be one of high expectations and excitement for the mighty Eagles as they will dominate District 10 AAA once again.

The Girl's Golf Team made history at Eisenhower this year by qualifying for Regionals. After a second place finish in District 10-AAA play, the team then advanced to the two day Regional Tournament in Huntsville. This marked a first at Eisenhower, for it produced the first Girl's entry in Regional play. Coach Orsak said, "The team played with a desire and determination that everyone was very proud of and only eight shots prevented them from State Play Offs." This desire and determination to win will continue throughout Eisenhower's history.

# Salute to the Jocks

The Varsity Football Team give their sighs of relief that the 880's and hurdles are over

The Fifth Annual Sports Banquet was held on April 17, 1978 in the Red Carpet Inn. The banquet is held to honor and recognize all athletes in all varsity sports at Eisenhower. Although the service and food was not the best, the speakers made the evening. Guest speaker was University of Houston Head Football Coach, Bill Yeoman. Mr. Yeoman stressed the importance of discipline of the players in all sports. He also emphasized that all players need the desire to win.

The All Sports Banquet is held annually at Eisenhower in honor of the varsity team members. It was a great success. Most Valuable Player awards were presented to deserving team members and varsity teammates were individually recognized.

In football, the M.V.P. awards went to Mike Berhle for outstanding leadership, Mark Hayes for defense, and Greg Winn for his offensive abilities.

Coach Sizemore had a tough decision when it came to choosing M.V.P. for track. This year's award went to Tony Williams.

Coach Thomas presented the basketball awards to Jeff Cantrell, who was also captain of the team.

Boys and girls golf teams had very successful seasons. Chip Craig and Jessica Supernaw received the M.V.P. award from Coach Orsak.

In volleyball, Mrs. Durst presented the awards to teammates Tricia Tansey and Sherri Winn.

Coach Lambert gave the tennis awards to Vange Vilfor and Robert LaPlant.

The varsity baseball teams' season had not yet come to a close. The team members were recognized for their efforts and wished good luck for the remainder of their season.

## *Student Council*

The purpose of the Student Council is to bring about a better relationship between the faculty and student body at Eisenhower. The 1977-78 officers were Mike Behrle — pres., Tony Williams — vice pres., Sharla Branch — sec., Alan Wilson — treas., and Terry Williams — parliamentarian.

This year the S.C. sponsored two very successful dances, the Homecoming and Senior Recognition Dances. A school dance always meant a cafeteria overflowing with dancers doing everything from the Two Step to the New Yorker. The Worm was the "in" thing to do!

Students, teachers, alumni, and outside dates all enjoyed the music at the Senior Recognition Dance. Pictured; Mark Burns, Vicki Bracher, Mark Ashe, Dee Ashcraft, and Mrs. Ryan

Ana Rodriguez was crowned Basketball Sweetheart

## Oranges and Basketballs

At Ike's last district home basketball game, the Student Council put on the Second Annual Basketball Sweetheart Ceremony. As S.C., president Mike Behrle announced the candidates, they were escorted onto the court by the senior players. Ana Rodriguez was crowned Sweetheart.

This year the Student Council members sold oranges and grapefruit. Some of the profits to hold a banquet at the end of the year.

The Student Council has done a lot for the school and the administration now knows more about what the student body wants. Through S.C., Eisenhower has become a school that is both more fun and more fair.

# Super Great

From building pyramids to mopping floors, the cheerleaders were kept very busy keeping students' spirit high.

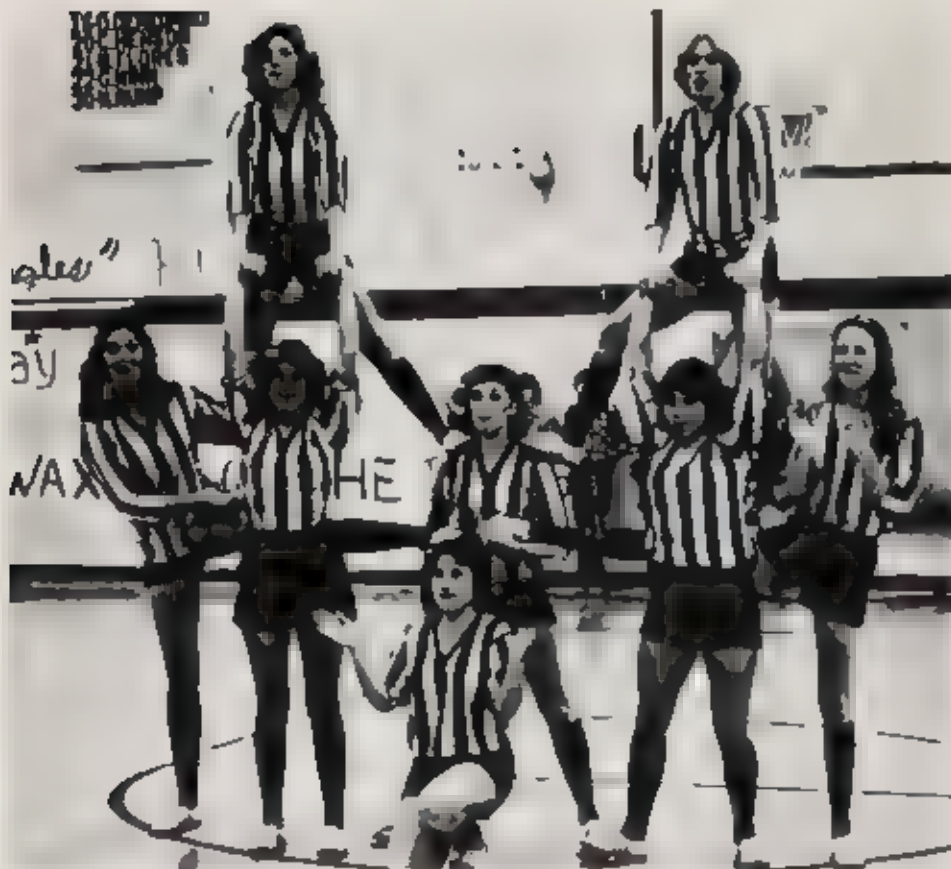

Summer camp was at SMU where they were awarded two superior ratings and two excellent ratings. At the University of Houston they attended a new attraction, a mini tramp camp. There they received the spirit stick. Aside from winning awards, the cheerleaders learned many new cheers and chants that kept IKE students cheering for their favorite teams.

This year the pep rallies all had themes, for example; 50's day, Bury Humble, Hillbilly Day, etc. The school motto was "SUPER GREAT."

"When we were elected cheerleaders, we all decided to bring back that true spirit that we'd lacked so many years at IKE. We tried our best and turned out to be 'SUPER GREAT,'" said Brenda Gooden.

The 77-78 cheerleaders for IKE are Brenda Gooden, Captain, CoCaptains were Ana Rodriguez and Mandy Mitchell, seniors, along with senior Julie Peak. Anita Wells, Leslie Conway, Melanie Hungerford, juniors and sophomore Tracy Tubbs were the others

Some of their favorite cheers were, Tonight Is The Night, Fire It Up and The Eagle Team Is Really Hot

All the cheerleaders did a fantastic job in keeping Eagle spirit up.

# The Golden Eaglettes

"Ladies . . . Again!!!"  
What a very familiar expression to the members of the Golden Eaglettes. These sounds along with counting of 1 through 8 meant much more to this group of girls. The Eaglettes could be found practicing throughout the summer as well as the long after school practices

However, all this hard work paid off with spectacular performances at all football games and the home basketball ones. The Drill Team had another big responsibility which was promoting spirit. They showered the Varsity Jocks with food, decorated lockers and cars and even decorated yards. During Homecoming they even made the football team lunch as well as inviting them to their traditional Banana Split Party. In the midst of all the work and school activities, the girls had many parties to forget about the harder side of Drill Team, and enjoy the friendships they had acquired.

At the end of the year, the Eaglettes held their annual banquet and dance at Duffey's Royal Coach Inn to announce the new officers for the coming year

## The Christian Youth Fellowship

Club is an active group of young Christians which meets every Tuesday and Thursday of each week to discuss, share, and learn more about God from one another. They also went on group picnics and club socials. They kept in touch with area churches and programs for young Christians. The group was helped by Art Noyes, Youth director at Spring Branch Christian Church.

# National Honor Society

The National Honor Society, sponsored by Sharon Kopriva is a group of outstanding juniors and seniors of a school. Students are chosen for NHS on the basis of possessing qualities such as scholarship, leadership, character, and having a good attitude.

The honor society's biggest fund raiser is the Annual St. Valentine's Day Carnation Sale. The flowers could be bought with a song for a dollar and a quarter. This project made more money than that of any other organization this year.

The new members were inducted into the NHS in a ceremony with candles.

THE 1978 F.T.A. OFFICERS ARE: Greg Winn — Parliamentarian, John Nash — V.I.P., Jeff Cantrell — Sergeant-at-Arms, Dan Neale — Vice President, Sherri Winn — Treasurer, Natalie Summers — Reporter, Lisa Saenz — Secretary, Cary Flynn — President.

The Future Teachers of America, F.T.A. is an organization geared to the career of teaching. The group, sponsored by Cheryl Rader and Jerry Orsak participated in many activities throughout the year. They presented the teachers with "holiday" treats such as Halloween candy, apples, and Easter Eggs. They also chose a Teacher of the Month. Although they did not attend the State Convention this year, but they held a picnic at Spring Creek Park. Instead the last big activity they had was juniors and seniors student teaching at Hoffman and Inwood Schools. They were then exposed to the real world of teaching. Cary Flynn, president, said "This year the group was really enthused and eager to get involved. I appreciate the officers giving up their study labs to think up new and unique projects to do in F.T.A." This year's group made more money than ever before, by selling college candles and having bake sales.

Like any other class, the newspaper staff had their share of homework too. Most of this work came in the form of covering school functions, taking student surveys, and thinking up new and interesting subjects to cover in their articles. The staff had their share of problems, trying to meet the printers deadline, as well as the production of getting the Seniors' Wills in and printed. The staff produced six enjoyable and informative newspapers. There were reviews on the latest films to explicit sports coverage for the Eagle teams. The papers that were produced have been the best work that the Bird's Eye View has ever published.

# Medical Careers

Should I be a doctor or a nurse? What field should I go into? What medical college should I attend? These questions and many more are frequently asked by the members of Ike's medical careers club

Included in their many activities was the Christmas stockings made for the children at Texas Childrens Hospital. They also sponsored a "green thumb" project in which they made wooden flower boxes for a nursing home. One of the most important activities they organized was the annual blood drive, which proved very successful.

# Art Club

The Eisenhower Art Club has done an outstanding job this year. On the day of the Homecoming Game, the Art Club was awarded the Spirit Stick. They helped promote school spirit by making posters and decorating bulletin boards in the student lounge. They made the backdrops for the Coronation and the Variety Show

Although all of the Art Club fund raisers were profitable, the candy drive was the biggest success: 6,480 Life-saver Lollipops were sold.

# Audio Visual

Many new clubs were formed at Eisenhower this year, giving all students a chance to take part in extra curricular activities. One of these is the Audio Visual club, formerly the Electronic Club. Sponsored by Mr. Parramore, this group of seven boys worked with the school's electronic equipment. Members of the Audio Visual Club helped video tape football, volleyball, and basketball games, as well as various other events at the school. The boys learned a lot about the use of understanding of electronics and different forms of visual and audial media. The club is looking forward to next year with hopes of expansion.

# America's Favorite Pastime

Foghat

Concerts are one of a teenagers' favorite pastimes. "Rocking-out" or "jamming" were an exuberant way to get away from the everyday routine.

Many internationally known performers have come through Houston yearly. They come to promote albums, to make money, and to show their fans their work. Concerts are held in Sam Houston Coliseum, Hofheinz Pavillion, the Summit, and large outdoor areas, like Jefferson.

BTO

## Stadium

Since the 50's, music has changed drastically to the sound of hard rock. Somehow Chubby Checker, or ShaNaNa can't compare with the sound of Joe Walsh, Led Zeppelin, or Foghat

Concerts are certainly exciting, especially when musicians such as Queen, Eagles, Peter Frampton, Deep Purple, Pink Floyd, Led Zeppelin, Kiss, Bad Company, and BTO grace the Houston Stages

The music is great, the show worthwhile, and the thrill of seeing your favorite performer unforgettable

# *Aquila Staff*

## *1978!*

The yearbook Staff not only put the Aquila together, but they had several other activities during the year.

The first few weeks of school the staff sold advertisements to local businesses to help with the cost of the yearbook

The First Annual Slide Show was presented to the student body and teachers to kick off the Aquila sales. The slide show was a big success and resulted in selling the most yearbooks since the school opened

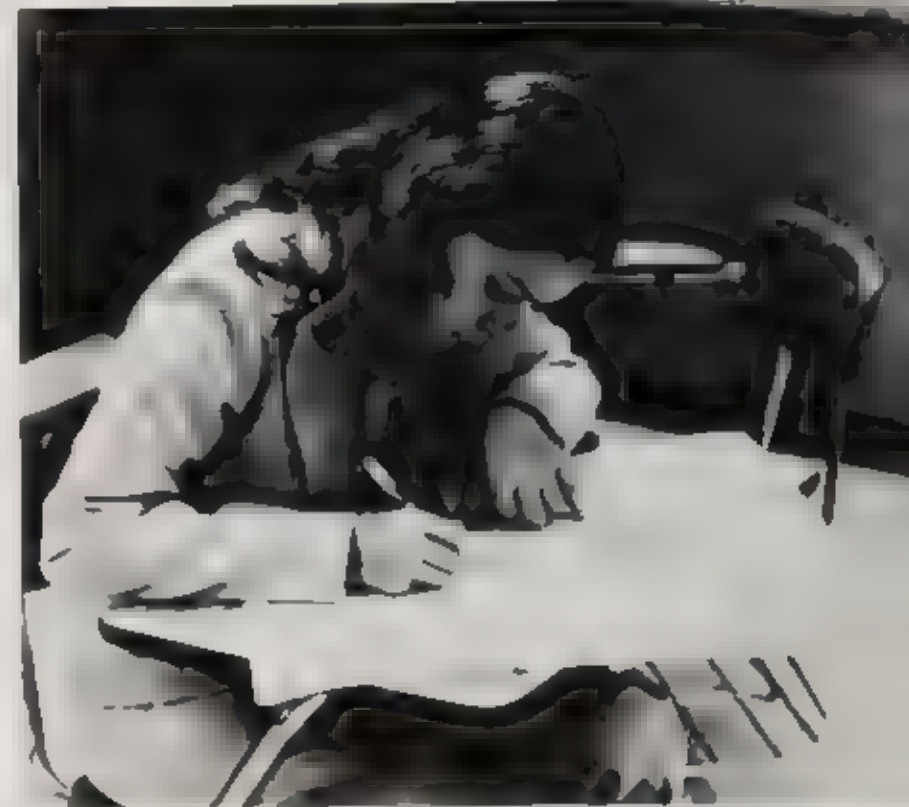

On February 14, 1978, the staff presented the annual coronation. The theme for the coronation was "Let Us Call You Sweetheart." The A Cappella Choir sang and the stage band played to provide entertainment. The Mistress and Master of Ceremonies were Vivian Bishop and Tom Donlevy. The Yearbook staff dedicated the Aquila to Mr. Barton Massey. The coronation turned out to be a big success and was enjoyed by the participants as well as their parents and friends.

Putting the Aquila together was by no means an easy task. It required a lot of long hours and a staff full of dedicated people. Along with the time spent in school, it required time after school taking pictures of games and events, getting information from teachers, students, coaches, and club sponsors about various school functions

The staff would like to extend special thanks to Scott Plasek and Cal Froberg for their photographic assistance in preparing the yearbook.

# Preparing to Graduate!

Back when school began in late August, the new seniors of Eisenhower were all keyed up to begin their last high school year. Taking the SAT and the ACT along with other numerous achievement tests was one step closer to getting accepted to the college of their choice; yet somehow then it seemed so far away, and many were still undecided about what to do in the years after "Ike." As time

rolled by, the seniors all realized that the year had literally flown by. Preparations for graduating had begun. First was picking nominees for senior favorites, then cap and gown fittings and senior pictures. Next in line was ordering graduation announcements and voting on the class motto, song, flower, and colors.

Along with getting all set for

the Prom at the Warwick, the constant nagging of keeping the grades up was on the minds of all. No one wanted to have to take their last final exams when there was so much else going on! The last set of activities included the practice at the Sam Houston Coliseum for commencement exercises, senior breakfast, and cap and gown day.

## Cap and Gown Day

Caught in a solemn moment, Bonny Flickinger wonders how the year flew by so quickly

It gets HOT under these things!! Keeping cool by the fan is Sr. Ramon Yeakley

May 18, the last day for seniors was full of excitement, confusion, worry, and calmness. Whether they were crying or laughing, they knew it was time to move on and begin their own separate lives. To the seniors of 1978, the Aquila Staff salutes you. Remember to seek quality in your life, have pride in yourself, and be constantly aware that your reputation, your way of life are all important to you

We're a WILD and CRAZY class! Having a blast on the last day are Srs. Kelly Martin, Beth Diven, Sue Baetz, David Ayea, Sue Thayer, Greg Winn, Linda Massie, Gary Rankin, Brigitte Budwine and Lily Daugherty

## ***The Class of '79' Is Fine!***

Juniors really do have a great time just being juniors. They enjoy all the care free, fun times yet work hard as well. Their sen-

ior year being just around the corner prompts discussions of senior rings, money raisers for the Prom, and speculation of

what college they might attend. Those are just a few of the things on a busy juniors' mind.

# *Looking Back at the Way We Were*

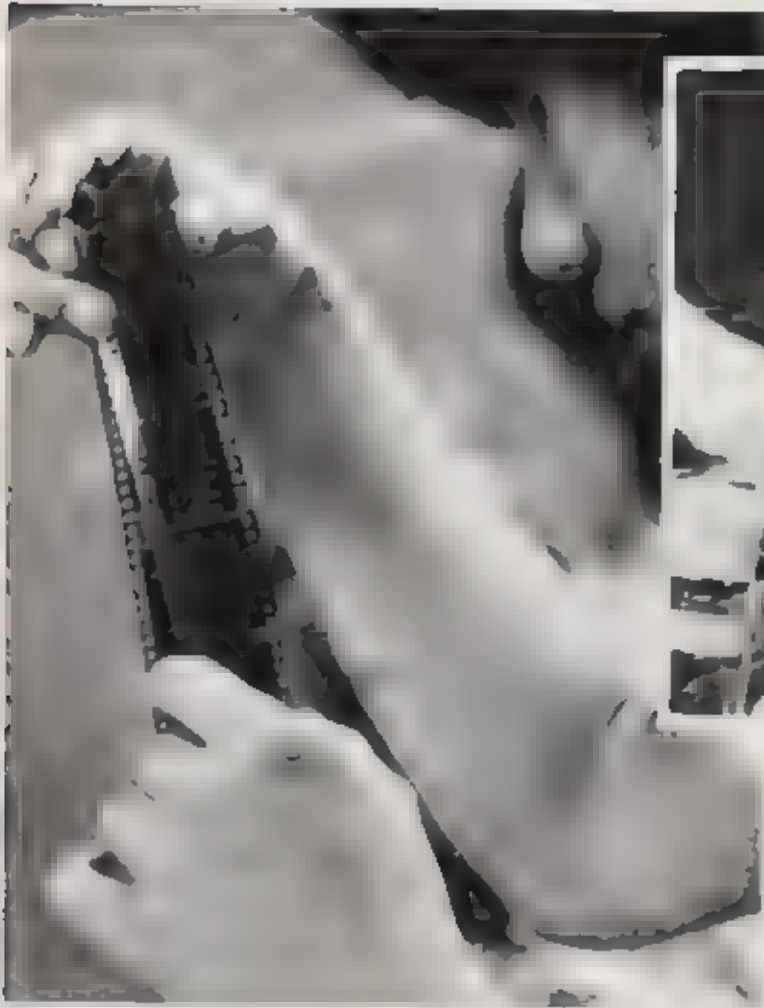

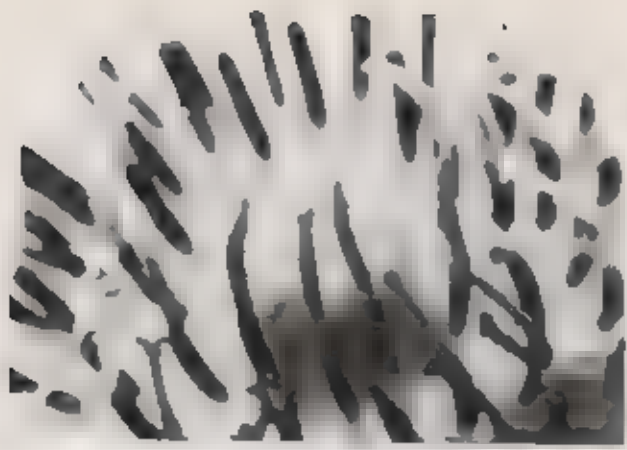

## *Reflections*

When we look back, we remember all the happy times and the rewards of hard work and dedication. We look back and remember all the frustration and determination of becoming the best that we could. The pride of watching the Eagles win and the heartaches shared during a defeat. Dreams either became a reality or remained visions to be lived again and again. As the waning moments of the year dwindle away, we look back on our experiences. It was a year filled with achievements, happiness, disappointments, and reflections, that leaves new dreams for the future.

In looking back at the 1977-1978 school year, there was joy, happiness, frustration, disappointment and many other mixed emotions. Several clubs and teams as well as individual teachers and students accomplished a lot.

The seniors have made a lot of new friends and old friendships have lengthened. The year was a very good one and will always be remembered. Even though the seniors are going their own paths to achieve their goals, they can look through these pages and bring back memories.

The underclassmen will return with their new ideas and hopes for the future. They can recall memories and plan for their next year at Eisenhower.

I would like to thank each and every staff member for the time, effort and long hours spent putting this book together. To Mr. Weems the yearbook sponsor, everyone is thankful for his time, work and help.

The Aquila Staff kicked off the yearbook sales this year with the first annual slide show. The library helped by letting the staff use their equipment and facilities to organize the slide show. A special thanks to Mr. George Hyland for his contributions to make the slide show a success.

Every year the staff presents the annual Coronation. The effort by the staff that was put forth to present the Coronation to the students, teachers and parents was unmeasurable. It was a lot of hard work and turned out to be a big success. Mr. Sizemore supplied the carnations and Covington Nursery donated the beautiful greenery which added a lot to the stage setting. The woodshop made the nice archways. To everyone who helped, thanks again, the staff and I really appreciate it.

Mrs. Bruner, thanks for keeping the books and helping the staff balance the budget. Mark David, Taylor Representative, thanks for your assistance. To all companies and people who bought ads thanks a lot with helping us with the cost of the yearbook. Thanks to the teachers, for letting staff members out of class for critical deadlines.

And most of all I would like to thank everyone who bought the Aquila, without whom there would be no reason to put it together.
